A Smarter Way To Do Laundry

High-efficiency electric clothes dryers use advanced technology to cut energy usage and save you money.

Purchase an energy-efficient clothes dryer and earn up to $200 in rebates

Silicon Valley Power provides rebates to customers who purchase qualifying ENERGY STAR® electric clothes dryers that have a high combined energy factor (CEF).

Receive $100 rebate for a qualifying ENERGY STAR® dryer with a CEF of 4.3 – 5.4

Receive $200 rebate for a qualifying ENERGY STAR® dryer with a CEF greater than 5.4
