

## Alternatives to the Annual Clean-up Campaign

The City of Santa Clara ADA Committee invites you to attend its April meeting to hear about possible alternatives to the City's Annual Clean-up Campaign.

### ADA Committee Meeting

**Date:** April 9, 2015

**Time:** 10 am

**Place:** City Hall Council Chambers  
1500 Warburton Avenue  
Santa Clara, CA 95050

### City of Santa Clara Annual Clean-up Campaign

Modifications to the current Annual Clean-up Campaign are necessary due in part to regulations, blight, scavenging, and ADA obstruction. Following a staff presentation, there will be a question and answer period. This will be the first of a series of community meetings that will be held to seek public feedback on proposed alternatives before a possible recommended alternative is brought to Council. Please attend!
