Reader's Guide

The purpose of this Reader's Guide is to make the City of Santa Clara Municipal Fee Schedule for 2014-15 easier to review. The Reader's Guide highlights information contained in this document, defines terminology used in column headers, and briefly explains how voter approved Proposition 26 impacts the Schedule.

Fees, rates, and charges are intended to encompass all charges established by license, permit fees, utility charges, refuse collection and any other charges for goods and services and use of City-owned or operated facilities. Certain fees omitted from the Municipal Fee Schedule are published separately and noted on page V of this schedule. Such fees and charges published separately are unique because they are mandated by external agencies or because they receive special attention and review from City Council prior to adoption.

A comprehensive listing of the City's fees, rates, and charges, arranged in sections by department make up the City of Santa Clara Municipal Fee Schedule. During an annual review, each department recommends appropriate adjustments after considering the total costs to the City for each service provided. Costs include (1) personnel time (providing the service and collecting data), (2) equipment used, (3) material, service and supply costs, (4) department and City-wide overhead, and (5) any other costs that may be incurred that are directly related to the specific fees, rates or charges. Periodically, the City will contract with an outside consultant to perform a comprehensive review/study of fees. In 2012, MGT of America completed a cost allocation plan and conducted the first phase of a comprehensive fee study. In 2013, MGT of America completed the second phase of a comprehensive review/study of fees.

Proposition 26

Proposition 26, passed by voters on November 2, 2010, is a constitutional amendment that introduces, for the first time, a definition of what constitutes a local tax:

As used in this section, "tax" means any levy, charge, or exaction of any kind imposed by a local government...

Under this definition, many requirements imposed by a local government that results in the local government receiving revenues are considered local taxes. This means that local government would need to obtain majority approval of the voters if the revenues are to be used for general governmental purpose and by two-thirds of voters if used for a specific purpose. In contrast, a fee may be adopted by a majority vote of City Council. There are seven (7) exceptions to this amendment under Proposition 26:

1. **Special Benefit or Privilege:** A charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege.
2. **Government Service or Product:** A charge imposed for specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product.
3. **Licenses and Permits:** A charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof.
4. **Local Government Property:** A charge imposed for entrance to or use of local government property, or the purchase, rental or lease of a local government property.
5. **Fines and Penalties:** A fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government, as a result of a violation of law.
6. **Property Development:** A charge imposed as a condition of property development.
7. **The Prop 218 Exception:** Provides that property assessment and property-related fees that are already subject to the approval requirements of Proposition 218 are not taxes. Common examples include water and sewer rates and special district assessments such as Landscape and Lighting District Act assessments.

All fees, rates, and charges have been reviewed by the City Attorney's Office and meet one or more of the exceptions to Proposition 26, or are not subject to Proposition 26.

ENGINEERING DEPARTMENT

JUSTIFICATION FOR INCREASE IN FEES, RATES, AND CHARGES

NOTE 1: Fees, rates, charges to recover costs for these types of Engineering services are increased 2.6% above 2013-14 fees, rates, and charges, consistent with the percentage increase in the CPI-U (December 2012-2013) for the San Francisco-San Jose area. Fees not at full cost recovery are increased up to 25% above 2013-14 fees, rates, and charges as long as the new amounts do not exceed cost recovery. NOTE 2: Fees, rates, charges to recover costs for these types of fees/reimbursements for public improvements are increased 5.3% above 2013-14 fees, rates, and charges, consistent with the percentage increase in the Construction Cost Index (December 2012-13) as published by the Engineering News-Record. The amounts have been rounded off and, therefore, the actual percentage increase may vary slightly.

NOTE 3: Fees, rates, charges to recover costs for these types of Engineering services are increased to 100% cost recovery per latest Cost of Services Study Findings Report by MGT of America.

Municipal Fee Schedule

Resolution

RESOLUTION NO. 14-8127

**A RESOLUTION OF THE CITY OF SANTA CLARA,
CALIFORNIA ADOPTING THE "CITY OF SANTA CLARA
MUNICIPAL FEE SCHEDULE 2014-15" WHICH IMPOSES
NEW FEES, AMENDS EXISTING FEES AND RETAINS
UNCHANGED FEES FOR VARIOUS CITY DEPARTMENTS**

BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, for the previous fiscal year 2013-14 (July 1, 2013, to June 30, 2014) certain fees were adopted by Resolution No. 8042 and were then incorporated into the "CITY OF SANTA CLARA MUNICIPAL FEE SCHEDULE 2013-14" ("fee schedule");

WHEREAS, the City now desires to impose new fees, amend existing fees and retain unchanged fees based on the document entitled "PROPOSED CITY OF SANTA CLARA MUNICIPAL FEE SCHEDULE 2014-15";

WHEREAS, where the fees are imposed by the City to support government services and not for the purpose of providing a market-based fee for services that are also provided by the general public, the proposed fees are hereby determined to be reasonable in that they do not exceed the estimated reasonable costs of providing the public services proposed to be rendered;

WHEREAS, in adopting the fees and this Resolution, the City is exercising its powers under Article XI, Section 7, and Article XIII C of the California Constitution, Section 50076 of the California Government Code, its Charter, its City Code, and other applicable laws;

WHEREAS, for fees that are noted in the fee schedule as new or increasing, relevant reports regarding those new or increased fees were made available for public review and comment for ten (10) days prior to the public hearing at which this Resolution was considered and adopted;

WHEREAS, on April 22, 2014, the City Council held a public hearing on the fees and charges set forth in the revised fee schedule;

WHEREAS, timely notice of the public hearing was published in the *Santa Clara Weekly* in the manner set forth in Government Code Sections 6062a and 66018; and

WHEREAS, notice of the public hearing was mailed to all persons requesting such notice pursuant to Government Code Section 66016.

NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

1. That the City Council hereby finds that the above Recitals are true and correct and by this reference makes them a part hereof.

2. Adoption of Fees, Rates and Charges The fees, rates, and charges (hereinafter collectively, “fees”) contained in the document entitled “PROPOSED CITY OF SANTA CLARA MUNICIPAL FEE SCHEDULE 2014-15” are hereby adopted and are to be set forth in a document entitled “CITY OF SANTA CLARA MUNICIPAL FEE SCHEDULE 2014-15.” The fees so charged do not exceed the estimated reasonable costs of providing the services for which the fees are imposed and are fair and equitable in nature. The fee schedule also indicates how each fee is not a tax by referencing all applicable exceptions to Cal. Constitution, Article XIII C that apply. Generally, the following types of charges are not taxes: (1) A charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (2) A charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product; (3) A charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and

adjudication thereof; (4) A charge imposed for entrance to or use of local government property, or the purchase, rental, or lease of local government property; (5) A fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government, as a result of a violation of law; (6) A charge imposed as a condition of property development; (7) Assessments and property-related fees imposed in accordance with the provisions of Article XIID.

3. Effect of Fees Prior to Effective Date of Resolution. This Resolution shall not be construed so as to affect any fee or charge payable or paid under any applicable fee schedule operative prior to the effective date of this Resolution.

4. Effective date. The fees set forth in the "CITY OF SANTA CLARA MUNICIPAL FEE SCHEDULE 2014-15" shall be effective on July 1, 2014.

5. Challenges to Fees. In the event of any challenge to any increased fee adopted herein, including any challenge pursuant to Cal. Constitution, Article XIIC, the formerly adopted fee as stated in the "CITY OF SANTA CLARA MUNICIPAL FEE SCHEDULE 2013-14" shall then be in effect unless and until the challenged fee becomes effective.
