

DISCOVER PUBLIC SAFETY

Residents take comfort knowing that Santa Clara’s highly trained public safety professionals are only a phone call away. Throughout the year, the community has many non-emergency opportunities to meet and spend time with the individuals who help to make the Santa Clara one of the 25 safest cities in America.

Periodic “Chat with the Chief” events are scheduled at different locations in the City. Every August, the public is encouraged to participate in National Night Out when neighborhood social events are attended by members of the Santa Clara Police and Fire Departments.

Neighborhood fire stations have public open house events in October and private tours can be arranged for small groups. The Fire Museum is open year-round to provide information on the history of the City’s Fire Department since it started as a volunteer operation in 1855.

“Coffee with a Cop” events bring community and police together for casual conversation.
