

Statement of ANTHONY J. BECKER, Candidate for
Member, Santa Clara City Council, Seat 6

Occupation: Cinematography Student/Rideshare

Age: 31

Education and Qualifications:

I'm a lifelong Santa Clara resident, graduate of De Anza College & current San Jose State student. I grew up and started pursuing my career in film here; I'm a son of Santa Clara. I want others to have the same opportunities I had in this great city. I'm a leader, the future and the best prepared for city council seat 6. My education & background are in the fields of the cinematic arts and political science.

My priorities as councilmember are as follows: I'll be the voice of voters to stop the backroom deals and have a common sense general development plan that is harmonious with current neighborhoods. Provide the best services to residents from public safety & municipal utilities, to senior and youth services. Ensure independent oversight & transparency of city actions as well as solutions to pension reforms & balanced budgets.

I have the leadership, commitment and drive to serve Santa Clara residents. I'm not a career politician and not supported by any special interests, therefore I'm your voice, and I'll work for you.

I respectfully ask for your consideration and the honor of receiving your vote.
