

Statement of MOHAMMED NADEEM, Candidate for  
Member, Santa Clara City Council, Seat 6

Occupation: Professor/Santa Clara Businessman

Education and Qualifications:

As a 24 year resident of Santa Clara, husband to my wife Sarah, father of our four children, and a Fulbright Scholar, I love Santa Clara and will always put it first. First in excellent city services, Police protection, Fire safety, and an open government.

I bring a record of service to our community: two terms on the Civil Service Commission, where I worked to insure fairness. As a member of Mission City Community Fund and Rotary Club, I served in reaching out to neighbors in need. As a member of the Library Foundation Board of Directors, where I fought to bring a new library to the North Side.

Santa Clara deserves a diverse leader who will listen and make sound decisions. As a graduate of Leadership, Citizen's Police, and Fire Academy Programs, and as your Councilmember I will fight for you: for low cost utilities; improved housing jobs imbalance; less traffic congestion, upkeep of parks and open space; expanded library, senior, and youth services; and a walkable downtown for a better quality of life. Humbly requesting your support to join former Mayor, Patricia Mahan and former Vice Mayor, John McLemore, State Senator Jim Beall and Vote for Dr Nadeem for Council Seat 6. 408-314-2262, Nadeem@DrNadeem.com; [www.DrNadeem.com](http://www.DrNadeem.com).
