February 2016

SHOWTIME 2016

Community Recreation Center, 969 Kiely Blvd.
Friday & Saturday March 4 & 5 7p.m.
Sunday, March 6 2 p.m.

Get ready to cheer the hero and boo the villain at the 34th annual production of "Showtime!" an original melodrama that raises money to support the Senior Center's Health & Wellness program. The performance this year is titled "Runaway Bride...and Grooms?" or "Four Weddings and a Funeral Too". The first Showtime was produced in 1982 by long-time Santa Clara resident Cleo Stuckrath who championed this fundraiser of fun and entertainment. Now in its 34th year, this event has long been a Santa Clara favorite. Audience participation is always encouraged and is what makes this such a fun event for all ages. The evening includes an olio of local talent, refreshments and raffle prizes. Tickets are \$5 on Friday and \$7 on Saturday and Sunday and are available at the Community Recreation Center and at the Senior Center, 1303 Fremont St. Ticket order forms are available online at santaclarawomensleague.org.

Environmental Day

Recology South Bay, 650 Martin Avenue
Saturday, March 5, 9 a.m. to 1 p.m.

Santa Clara residents can recycle e-waste (computers, monitors, printers, etc.), u-waste (batteries, cell phones, CFL's and fluorescent light tubes), clothing, plastic toys and play structures, and have up to two boxes of confidential documents shredded by bringing them to Recology South Bay in Santa Clara during their Environmental Day event. This FREE event is designed to help promote recycling, reuse and the diversion of usable materials from the landfill. Residents must bring their most recent Santa Clara utility bill and photo I.D. in order to participate. For questions or more information, call Recology at (408) 970-5100.

MapSantaClara

MapSantaClara provides residents, businesses, and developers access to information about property in Santa Clara. Explore the I want to... menu to unlock a collection of tools from customizing your map with drawings and text to printing out reports. With just three clicks, Santa Clara residents can now easily create a property report and a permit report for their home. Click on the I want to... menu and then choose "Create a property report", and enter your address to automatically generate the report.

MapSantaClara is mobile compatible, and all of its tools are accessible anywhere with a mobile/WiFi connection. Learn more about your city through MapSantaClara at Map.SantaClaraCA.gov.

Amplified Sound Permits

Permits for outdoor sound amplification are required by the City of Santa Clara in order to minimize neighborhood noise impacts. These permits are necessary for live or recorded sound or music when amplified outside by more than the normal portable stereo equipment. Amplified sound permit request forms can be obtained and submitted at the Finance Department's Business License Division located at City Hall (1500 Warburton Avenue). Amplified sound permit request forms for Central Park may be obtained and submitted at the Community Recreation Center (969 Kiely Blvd). Permit request forms should be submitted with a payment of \$668 four weeks prior to the event.

Any event scheduled outside the hours of 9 a.m. to 10 p.m. will require City Council approval and may increase processing time. All permit request applications for residential addresses are checked with the Police Department Records Division to determine whether there have been disturbances in that location in the past year. Previous violations could be a reason for denial of the amplified sound permit. Please remember to be a good neighbor. A permit is not a "license to disturb the peace." Even with a permit, complaints from neighbors about the amplification can result in Police shutting down the sound/music. For more information, contact the City at (408) 615-2310.

Curbside Recycling Program

Recycle Right! Blue carts are for collection of recyclable materials, including newspapers, mixed paper, corrugated cardboard, glass containers, aluminum and metal cans, all plastics (with or without recycle symbols EXCEPT Styrofoam), and scrap kitchen metal (clean aluminum foil and pie pans, pots and pans).

Here are some other items that can be recycled curbside with special handling: Used motor oil (up to three gallons per week in one-gallon or less crew-top containers marked "waste oil"), drained oil filters (placed in a sealed plastic bag) and compact fluorescent light bulbs (CFL's) placed in a sealed plastic bag. Place these items next to your blue recycling cart for pickup on your regular collection day. For dry-cell household batteries, tape the positive terminals and place in a sealed plastic bag on top of your black garbage cart. Residents with front-load bin service may drop off batteries at any Santa Clara Fire Station seven days a week from 8a.m. - 5p.m.

Remember to keep all hazardous materials (paint, pesticides, household cleaners, etc.) out of your garbage and recycling carts. To make a FREE appointment to safely dispose of household hazardous waste, call 408-299-7300, or go to hhw.org. Together we can recycle right! Recycling questions? Please call 408-615-3080.

Volunteer to Serve Your Community

Volunteering for the City is one of the best examples of government and people working together for the good of the community. This is a great way to get an insider's look of how local government works. Interested in sharing your talents, skills and feedback on how to better serve our residents and businesses? Check out our volunteer opportunities. There are many ways to help make a positive difference in someone's life and in the community you live. Whether you volunteer for a short-term service activity or are able to make a long-term commitment, every effort makes a difference. For more information
