Therapeutic Recreation Services

Therapeutic Recreation Services (TRS) serves the recreational and social needs of individuals who have disabilities. We offer programs such as aquatics, dance, fitness, and social clubs.

Meaningful and purposeful activities are planned that develop and enhance social skills, communication, personal growth, and focus on one's abilities rather than disabilities. A variety of volunteer opportunities are available for those ages 14 and above, including students who need service hours. Volunteers assist the recreation staff with set-up and clean-up at the program, prompt the participants to socialize and engage in the activities, assist with supervision of the participants, and of course have fun! For more information on how to become a TRS Volunteer, contact Lauren Council at (408) 615-3169 or lcouncil@santaclaraca.gov.
