Hi, I'm Robert O'Keefe, candidate for City Clerk. I was born and raised in Santa Clara and attended local schools, grammar school through college. I bought my current home in Santa Clara in 1999, where I live with my wife Lori, we both love Santa Clara and have no plans of leaving.

I recently retired from the California Highway Patrol after 30 years of service. I attained the rank of Lieutenant, ultimately overseeing patrol operations in San Francisco and San Mateo Counties.

The duties of the Santa Clara City Clerk have recently changed with the greatest responsibility being that of the city's Election Official. I believe that this position needs to be non-political, non-partisan, and public service oriented, ensuring true democracy and transparency in all of our city elections.

My entire career has been dedicated to public service, and I still wish to serve. I have proven leadership skills and vast government administrative experience. If elected, I will perform my duties professionally, honestly, with high moral and ethical standards. Santa Clara is my city, it's your city, it's our city! With that thought in mind, I would be honored by your vote.

I've called Santa Clara home for 11 years and love raising my family here. I got involved at City Hall because I saw a need to make government work better for all of us.

I pioneered livestreaming City meetings to foster open, transparent government. After proving the impact of my initiative the City followed, upgrading their equipment to livestream meetings and events.

I conducted 13 candidate interviews and 2 ballot initiative videos to educate Santa Clarans during the 2016 election, then founded the "Transparency Tour" Town-Hall Meetings to hold our elected officials accountable. My goal is to make Santa Clarans the best-informed citizenry in the nation.

As a Charter Review Committee Member I proposed term limits for our Council and championed protecting our beloved parks. Both passed with record support.

As a clean-money candidate who refuses corporate money I'll fight for clean government and will ruthlessly enforce Santa Clara's new lobbyist ordinance and prohibition of dark money.

City Hall should work for everyone, not just the select few. My job will be to foster an inclusive environment that guarantees everyone a seat at the table to have their voices heard.

I'd be honored to earn your vote.

I have proudly served Santa Clara as Parks and Recreation Commissioner, in leadership positions for local nonprofits, including Police Athletic League, Santa Clara Woman's Club, Santa Clara University Catala Club, and volunteering for our Arts and Wine Festival and PAL. I operated my own business in Santa Clara for many years, and co-owned and operated, with my husband Dean, our successful electrical company for 25 years. For fifteen years, I worked at Bellarmine College Preparatory fulfilling extensive administrative duties for faculty and staff.

My roots in Santa Clara are deep – a 4th generation native, I have an enduring appreciation for our great city and seek to serve it as City Clerk. My wide-ranging background and experience in organization and executive management uniquely qualify me for this position. I am prepared to accomplish the many duties of the Clerk's office. As Elections Officer, I will work to ensure that all elections are conducted openly, honestly and fairly.

It is crucial that the City Clerk remain independent and impartial without taking sides in political action or initiatives. I have that neutrality and am not beholden to any special interests. Respectfully, I ask for your support and your vote for Roseann LaCoursiere for Santa Clara City Clerk.

CHRISTOPHER R. STAMPOLIS
Educator / Santa Clara Businessman

Santa Clara has had only four City Clerks during the past 100 years. I will enhance community trust in this award-winning City Department, while bringing fresh energy to the office. We must build on the City's ethics program and increase voter participation, especially among Santa Clara's youth and new arrivals.

Longtime Santa Clara homeowner Hector Sandoval says "Chris Stampolis brings more than 20 years of local elected and appointed public service to the role of Clerk. As a fellow parent, I am grateful Chris recruited me and others into leadership at School Site Council and PTA. As City Clerk, Chris will bring energetic community outreach."

After earning Bachelor's and Master's Degrees from Santa Clara University, Chris served 13 years on Planning Commission, Historical and Landmarks Commission, and as chair of the Citizens' Advisory Committee and 12 years as an elected Trustee for the West Valley Mission Community College District Board of Trustees and the Santa Clara Unified School District Board. District's @

Board of Education member Annette Gonzalez-Buttner says "As Trustee Chris improved college readiness and academic counseling, and as Commissioner he enhanced quality of life, including new affordable housing and removal of blight. Chris will bring diligence to the Clerk's office to treat all Santa Clarans fairly."

Vote Chris Stampolis for City Clerk. 408-771-6858. chrisstampolis@gmail.com
