Dear Santa Clara Neighbor,

Many thanks to the community members that joined us six months ago and provided feedback at our first Open House. We received a lot of great input and are excited to continue seeking feedback from the community. As the project is evolving, more information is available to share and we'd like to provide these updates on the project concept to the community.

You are invited to our next Open House regarding the proposed development at 3005 Democracy Way, which will be held on January 24 between 6:00 p.m. and 7:30 p.m. at the Central Park Library in the Margie Edinger Community Room, 2635 Homestead Road, Santa Clara.

The 48-acre vacant site, currently zoned for office space, is being considered for revitalization as an exciting and vibrant new community **offering a mix of housing, shopping/dining, offices and open space with easy access to transit and trails.**

Many neighbors already have contributed great ideas toward our shared vision. This is an opportunity to learn more, meet the project team and join the conversation at this Open House and our upcoming design workshops.

We'd love to hear from you.
