**2016 CALIFORNIA PLUMBING CODE - SECTION 604.1.1  
 CERTIFICATE OF COMPLIANCE  
 FOR INSTALLATION OF CPVC HOT AND COLD WATER DISTRIBUTION SYSTEMS**

Project Name: \_\_\_\_\_ Permit # \_\_\_\_\_

Project Address: \_\_\_\_\_

To: Santa Clara Building Official

I hereby certify that I am an Owner-Builder or CSLB licensed General or Plumbing Contractor and seek a permit for residential construction that involves the installation of CPVC plumbing materials as provided for under 2013 CPC Section 604.1.1.

I also certify that:

- ✓ We are aware of the health and safety hazards associated with CPVC plumbing installations and the solvents used for such installations.
- ✓ Our Illness and Injury Prevention Plan and its worker safety training include the hazards associated with CPVC plumbing installations, and that it meets the Department of Industrial Relation's guidelines.
- ✓ We will comply with the flushing procedures and worker safety measures set forth in Section 604.1.1.
- ✓ The UPC / IAPMO approved CPVC piping material and solvent manufacturer's Installation Instructions will be posted at the job site during installation and will be available for review.
- ✓ We will maintain the required grounding and bonding required by the CEC Sections 250.52, and 250.104 (A) and (B).
- ✓ We will maintain the receptacle, equipment, and circuit grounding required by Sections 250.130 and 250.52(A) (1) if replacing a metallic system.
