

# COUNCIL DISTRICTING PROCESS

Provide your input on the  
Court Ordered process

The City of Santa Clara encourages your participation in the process to create potential new districts in the City of Santa Clara. On June 26, 2018, the Santa Clara County Superior Court issued an Order requiring the City to take immediate actions to hold (4) four public hearings before July 22, 2018 for receiving public input on potential district maps for the election of Council members. A change in elections by district will be a substantial change in how Santa Clara voters elect their Council members. If the Court orders district elections, the voters will only be able to elect one council member who lives in the same district as those voters.

We encourage your participation at a public hearing:
