Dear Santa Clara Neighbor,

You are invited to our first Design Workshop regarding the proposed development at 3005 Democracy Way, a 48-acre vacant site currently zoned for office-only space, that is being considered for revitalization as an exciting and vibrant new community **offering a mix of housing, neighborhood shopping/dining, offices and open space with easy access to transit and trails.**

Many thanks to the community members who have joined us for our two community open houses so far. We've received a lot of great input and are excited to continue seeking feedback from the community.

This upcoming workshop will focus on the project's **open space** and how it's being designed. The workshop will be an opportunity to discuss ideas, meet the project team and continue to help shape this project. We'd love to hear your feedback on park design, trail access, public spaces and more.

Please join us on Mar. 4 between 6:00 p.m. and 7:30 p.m. at the Central Park Library in the Margie Edinger Community Room, 2635 Homestead Road, Santa Clara.

**Please confirm your presence by March 1 at:
info@3005democracyway.com**
