MEMORANDUM OF UNDERSTANDING
between
CITY OF SANTA CLARA
and
UNCLASSIFIED POLICE MANAGEMENT EMPLOYEES, UNIT #9A
DECEMBER 18, 2016 — DECEMBER 22, 2018

In accordance with the provisions of Section 18 of the City of Santa Clara Resolution #2979, entitled "Employer-Employee Relations," this Memorandum of Understanding (MOU) constitutes the results of discussions between the City Management Staff and certain Unclassified Police Management Employees (Unit 9A) of the City of Santa Clara on all matters within the scope of representation from December 18, 2016 through December 22, 2018.

1. TOTAL COMPENSATION

A. For the purposes of this agreement, total compensation is defined to include the following items:

1) Salary

2) Fringe Benefits:

a. Retirement*

b. Holiday Pay*

c. Vacation Pay*

d. Uniform Allowance (\$50 in discretionary allocation as of 12/16*)

e. Insurance

(1) Life (\$5.60/month in discretionary allocation as of 12/16)

(2) Medical

(3) Dental

(4) Vision

f. Retiree Medical

*These elements are directly tied to salary and move as a function of salary. No independent movement is allowed in these element areas.

B. For this MOU, a base total compensation as defined above, for a Unit 9A Unclassified Employee, will be determined in the following manner (SUSPENDED FOR THE TERM OF THIS MOU):

1) The average monthly salary of the Unit 9A Unclassified Employees will be calculated from the salary control point schedule in effect on the first day of the last full pay period of the calendar year.

2) From this average salary, a Salary Adjustment Form will be developed to establish the base total compensation for the Unclassified Police Management Employee for the following calendar year.

2. ADJUSTMENT OF SALARIES AND FRINGE BENEFITS

A. Effective December 18, 2016, for persons employed by the City on the date the City Council approved this MOU, salaries for represented classifications will be increased by the same percentage as applied to Unit 2 employees for the 12/2016

– 12/2017 MOU year. Effective December 17, 2017, salaries for represented classifications will be increased by the same percentage as applies to Unit 2 employees for the 12/2017 – 12/2018 MOU year.

- B. The City will pay the full CalPERS employer rate increase from FY 2015-16 to FY 2016-17 and from FY 2016-17 to FY 2017-18 so such increases will not have an adverse impact on salary.
- C. The City will pay any increase in the cost of the Kaiser employee only rate for the 2017 and 2018 calendar years so such increases will not have an adverse impact on salary.
- D. The Salary Adjustment Form and "Total Compensation" methodology described in Section 1 will be suspended for the duration of this MOU.
- E. [SUSPENDED FOR THE TERM OF THIS MOU] It will be the prerogative of the Unit 9A employees to allocate the distribution of total compensation monies within the following element areas: 1) Salary, 2) Life Insurance Premiums, 3) Medical Insurance, subject to the requirement that the amount of the Kaiser single health insurance premium, including the PEMHCA minimum, be included in the mandatory section of the Salary Adjustment Form, 4) Lowest cost employee only dental premium and 5) Lowest cost employee only vision premium, and 6) Uniform Allowance except as otherwise noted in this MOU. It is hereby agreed to and understood by both parties to this MOU that distribution of total compensation monies is to be based upon: 1) the monthly base Salary Adjustment Form for the Unit 9A Unclassified Employee whose total compensation is the average of the Unit, and 2) the maximum premium payable by City, and not actual premium to be paid by City, except as noted elsewhere in this agreement.
- F. It is recognized by both parties to this agreement that it is their mutual responsibility to independently verify, to the extent possible, the accuracy of the information upon which total compensation adjustments are made. Should it be discovered by either party that adjustment(s) to salary and fringe benefits are based on erroneous information or has been erroneously computed, the necessary corrective action will be taken as soon as practical after the discovery and notice of the error has been given. It is the mutual responsibility of both parties to report any suspected error immediately upon discovery to the other party. However, the period for which there will be a right to recover any monies which are either overpaid by the City or underpaid to the employee shall be limited to an adjustment period of up to 90 calendar days from the date the error was first reported to the other party. The corrective action will be taken even in circumstances where the error may bridge successive MOUs, but the recovery will still be limited to amounts owed or owing during the prior 90 calendar days. The 90 calendar day period will begin upon the date of written notification by personal service upon the other party.

Right of recovery by the City of overpayment shall be limited to recovery over the same time period as the overpayment was made. Said repayment will begin with the next paycheck following final determination of the amount to be repaid. Underpayment to the employee shall be made by the City in a lump sum of the amount owed on the next regular paycheck following final determination of the amount to be paid.

3. HEALTH INSURANCE PREMIUMS

A. Medical

Effective the first full month following Council approval of this MOU, the City will pay toward health premiums for those employees enrolled in a City health plan an amount equal to \$200 more than the Kaiser employee only rate. Employees that show proof of health that sign an ACA compliant attestation confirming coverage by a family member in a group health insurance plan shall have the option to instead receive a flat dollar taxable cash-in-lieu benefit of \$835.66. Employees covered by a City health plan whose premium amount is less than \$835.66 shall receive a flat dollar taxable payment of the difference between their applicable premium amount and \$835.66.

B. Dental

Effective the first full month following Council approval of this MOU, the City will pay employees toward the cost of dental premiums an amount equal to the lowest cost employee only premium amount among the dental plans offered by the City. All employees are required to enroll in a dental plan.

C. Vision

Effective the first full month following Council approval of this MOU, the City will pay toward vision insurance premiums an amount equal to the lowest cost employee only vision premium. Participation is voluntary. Employees that choose not to enroll in a vision plan do not receive the benefit of this paragraph, i.e. City contributions toward vision premiums.

D. Re-Opener

The City and Police Management agree there shall be a re-opener in March 2017 limited to the subject of the City's cafeteria plan, including medical dental and vision benefits and cash take home as an element of a cafeteria/medical program. The parties will negotiate in good faith on these issues. Any agreement by the parties resulting from this re-opener shall be reflected in an amendment to this MOU. If the parties cannot agree, applicable impasse procedures shall apply, including, if necessary, imposition of terms and conditions covered by the re-opener by the City.

E. The City shall comply with the provisions of the Family and Medical Leave Act of 1993 (FMLA) and the California Family Rights Act of 1993 (CFRA).

4. HOLIDAY PAY

A. The City will observe the following thirteen (13) dates (or days) as City holidays and City offices will be closed in observance of those holidays. Represented employees will be entitled to eight (8) hours of paid time off in observation for each of the holidays listed:

New Year's Day (January 1), Martin Luther King, Jr. Day (3rd Monday in January), President's Day (3rd Monday in February), Spring Holiday

(observed on Good Friday), Memorial Day (last Monday in May), Independence Day (July 4), Labor Day (1st Monday in September), Admission Day (September 9), Columbus Day (2nd Monday in October), Veteran's Day (November 11), Thanksgiving Day (4th Thursday in November), Friday after Thanksgiving, and Christmas Day (December 25).

Holidays which fall on a specific date and which fall on Saturday are observed the preceding Friday. Holidays which fall on a specific date and which fall on Sunday are observed the following Monday.

The City and Unit 9A previously agreed to represented employees giving up 104 hours of holiday pay in exchange for a corresponding and equivalent 5% salary increase. The salary ranges for represented employees were adjusted so that they were placed back at the same percent of control point they were at prior to the transition of holiday pay to salary. The number of annual paid holidays included on the Salary Adjustment Form will be 13 days (computed at the eight hour per day pay rate).

5. VACATION ACCRUAL

- A. Represented employees will accrue vacation, calculated to four decimal points for accuracy, as follows:

COMPLETED YEARS OF SERVICE	ACCRUAL RATE
1 through 9 years	120 hours
10 through 15 years	160 hours
16 through 20 years	176 hours
21 or more years	192 hours

- B. On or before the last business day before December 25th each calendar year, an employee may make in writing on an "Irrevocable Vacation Cash-Out Election Form" to be provided by the City an irrevocable vacation cash-out election for up to two cash-outs of vacation the following calendar year. To be effective, the employee's written notice must be received by the Director of Human Resources or designee no later than the last business day before December 25th of the calendar year before the calendar year in which the employee wishes to cash-out vacation. The amount of vacation requested to be cashed out in the following calendar year may not exceed a total of eighty (80) hours, which number of vacation hours must have been earned in the following calendar year before it may be cashed out, and requires a sufficient balance of available accrued vacation. It is understood that an employee using vacation shall always use vacation earned in prior years first before using vacation earned in the current year. The date options available on the Election form provided by the City for the up to two cash-outs shall be the first full pay period in April, July, October or December.

This provision shall have no effect on an employee's right to cash out all his or her accrued vacation at the time of the employee's separation/retirement from City employment.

- C. Maximum vacation accrual which may be credited to an employee at the end of the pay period which includes December 31 shall be 450 hours. As a one-time exception, employees that otherwise would "lose" accrued vacation hours because their total accrued vacation hours exceeded 450 hours as of the end of the pay period which includes 12/31/17 will be allowed to "carry-over" their entire balance, including accrued vacation hours in excess of 450 hours into 2018. Thereafter, the existing MOU rules regarding the year-end maximum for vacation accruals shall apply.
- D. In lieu of receiving a vacation-leave cash payout at retirement, the Association may vote to roll accrued vacation leave hours into the employee's Voluntary Employee Beneficiary Association (VEBA) account, subject to Association compliance with Federal rules associated with employee contributions of vacation leave to their VEBA accounts.

6. SICK LEAVE/FAMILY SICK LEAVE/PERSONAL LEAVE

A. SICK LEAVE

- 1) Employees shall accrue ninety-six (96) hours of sick leave per year of regular City employment. Sick leave shall accrue in equal amounts each pay period. Employees shall not accrue sick leave while they are on unpaid status.
- 2) Use of sick leave will be under the same terms and conditions as are now in place. Vacation and Management Leave may be used to supplement sick leave as available and with Department Head approval.
- 3) In lieu of receiving a sick-leave cash payout at retirement, the Association may vote to roll the sick leave cash payout into the employee's Voluntary Employee Beneficiary Association (VEBA) account, subject to Association compliance with Federal rules associated with employee contributions of sick leave to their VEBA accounts.

B. FAMILY SICK LEAVE

- 1) Not more than forty eight (48) hours of sick leave within one calendar year shall be granted to any employee for the care or attendance upon members of his/her immediate family, unless the use of additional leave is approved by the City Manager or designee. "Immediate family" is defined as spouse, parent, child, sibling, grandparent, grandchild, aunt, uncle, niece, nephew, first cousin, parent by marriage, step-parent, step-child, grandparent by marriage, son-in-law, daughter-in-law, sibling by marriage, foster parent, domestic partner, anyone residing with employee, or anyone dependent on the employee for care.

C. PERSONAL LEAVE

- 1) Each calendar year, an employee is entitled to use thirty-two (32) hours of accrued sick leave as Personal Leave, provided he/she has sufficient sick leave balance available.
- 2) Personal Leave is intended to provide the employee with paid time off to attend to legitimate personal business that may arise from time to time during the year. Personal Leave may be used to supplement sick leave as required.
- 3) The employee has an obligation to provide as much notice as possible so as to allow for proper scheduling by the department.
- 4) Providing that the minimal requirements of proper notification have been met, the use of Personal Leave should not be denied.
- 5) The adoption of this program does not modify the existing ability of the employee to exchange up to 96 hours of accrued sick leave for up to 48 hours of vacation, based upon two (2) hours of sick leave for one (1) hour of vacation as provided and defined in the Personnel and Salary Resolution.

7. BEREAVEMENT LEAVE

- A. The City will provide employees with a paid bereavement leave benefit to attend to the customary obligations arising from the death of a member of an employee's immediate family, as defined in this Section 8(A). Employees are eligible to receive up to forty (40) hours of bereavement leave in the event of the death of a parent (including step, adoptive and in-law), child (including step, adoptive and in-law), sibling (including step, adoptive and in-law), spouse or domestic partner; up to three (3) work days (regardless of shift assigned) of bereavement leave in the event of the death of a grandparent (including step, adoptive and in-law), grandchild (including step, adoptive and in-law), aunt (including step, adoptive and in-law) or uncle (including step, adoptive and in-law); and up to one (1) work day (regardless of shift assigned) of bereavement leave in the event of the death of their own or a step, adoptive, or in-law great-grandparent, great-aunt, great-uncle, great-grandchild, niece, nephew, or first cousin.
- B. The bereavement leave benefit is based on each death occurrence and is not charged through the total compensation model.
- C. Up to five (5) work days of additional bereavement leave may be charged to an employee's sick leave balance with City Manager approval.
- D. At the request of the City, the employee will provide verification.

8. VOLUNTARY TIME OFF

Employees may request voluntary unpaid time off under the following conditions:

- A. Approval of a work schedule that does not adversely impact the operations of the department or other employees in the work unit with the approval of the Department Head and the City Manager.
- B. No impact on either sick leave or vacation accrual if sufficient hours are worked in a pay period to entitle the employee to his/her regular accrual rate for either benefit.
- C. No reduction of insurance premium payment or refund as long as sufficient hours are worked to allow for full payment of the premium for an employee working a full time work schedule. If the number of hours worked is less than the number required for full payment of premiums or refunds, the premium or refund payments will be reduced in proportion to the hours required to gain full credit.
- D. Voluntary time off may be taken without the employee first using all of his/her accrued leave.
- E. Employee may cancel his/her participation in the program with a notice time agreed upon at the time of the granting of the request, which will be sufficient to allow the department head to accommodate the request.
- F. Cancellation of the employee's participation in the program will be at the discretion of the Department Head with the approval of the City Manager.

9. VOLUNTARY EMPLOYEE BENEFICIARY ASSOCIATION (VEBA)

The City has established a Voluntary Employee Beneficiary Association (VEBA) trust under Internal Revenue Code Section 501(c)(9) for the purpose of providing a City-wide defined contribution post retirement medical benefit for employees hired prior to December 21, 2003. Specific information regarding the Plan is referenced in the Plan Document.

VEBA is a tax-exempt trust account formed under Internal Revenue Code Section 501(c)(9) designed to accumulate assets to fund the future payment of qualified medical expenses (including specified insurance premiums). At retirement, participants may withdraw the accumulated plan benefits to pay for medical insurance premiums and will not be taxed under current state and federal law. Withdrawals cannot be made for non-medical purposes.

Effective December 21, 2003, the City ceased making contributions to employee VEBA accounts and instead provided a Retiree Medical Reimbursement Benefit. Employee VEBA accounts remained and will remain open for other potential contributions. Effective beginning December 16, 2007, the City began contributing \$50 per month to employees' VEBA trust accounts. Per the City's contract with VEBA, VEBA's consulting fee will be deducted from plan participant's accounts.

10. RETIREE MEDICAL REIMBURSEMENT BENEFIT

The Retiree Medical Benefit shall provide each employee who retires from the City with a CalPERS retirement with at least ten (10) years of regular City service with a reimbursement for unreimbursed single retiree health insurance premium, beginning with the first full month after retirement from City service and ending with the last full

month before the retiree's sixty-fifth (65th) birthday. Starting with the month in which the retiree turns age sixty-five (65), the reimbursement will be for unreimbursed Medicare single retiree supplemental insurance premium or unreimbursed single retiree insurance premium. For premiums paid in calendar year 2016 that will be reimbursed in calendar year 2017, the City will reimburse an amount up to \$333 per month, including the PEMHCA minimum, for unreimbursed single retiree health insurance premium or up to \$199 per month, including the PEMHCA minimum, for unreimbursed Medicare single retiree supplemental insurance premium or single retiree health insurance premium. The amount of the City reimbursement will be adjusted once each year by the percentage change from October to October in the San Francisco-Oakland-San Jose urban wage earners and clerical workers (W) consumer price index from the prior year, but in no event will be increased more than 3.5%. Beginning in 2004, the City will fund this benefit with an amount to be determined by an actuary.

Each retiree will be required to submit proof of medical coverage to the City each year. The City will pay the reimbursement in a lump sum payment quarterly.

11. PEACE OFFICER STANDARDS AND TRAINING (POST) INTERMEDIATE CERTIFICATE

Effective retroactive to December 18, 2016, employees that have achieved Intermediate POST certification shall receive 2.5% of base pay for this certification. Effective retroactive to December 18, 2016, employees that have achieved Advanced POST certification shall receive an additional 2.5% (for a total of 5.0%) of base pay for this certification. To be eligible, and receive payment, employees must either provide proof from POST of the Intermediate or Advanced POST certificate or get written confirmation and approval from the Police Chief (or designee) that the requirements for certification have been successfully completed. POST Certificate Pay shall be included on the Salary Adjustment Form as a mandatory allocation.

12. AUTOMOBILE ALLOWANCE

The automobile allowance program available to represented employees is as follows:

- A. The monthly automobile allowance shall be \$400 per month.
- B. In order to qualify for this allowance represented employees must have available for use on City business a four passenger vehicle which is not more than three (3) years old at the time it is placed in service under this program.
- C. Insurance as required under the State of California Motor Vehicle Code will be provided by the represented employee and must be in force at all times the vehicle is operated on City business.
- D. Employee receiving automobile allowance is responsible for all gasoline and maintenance costs. Employee shall also maintain the vehicle in a clean and presentable condition.

- E. Effective upon Council adoption of this MOU, employees will no longer receive an automobile allowance and this Section 13 shall be null and void. Concurrently, employees shall have their salaries increased by \$400 per month and their salary ranges adjusted so they remain at the same percent of control point they were at prior to the transition of money from a car allowance to salary.

13. PDA/SMART PHONE STIPEND

Effective December 23, 2012, the City will agree to provide an \$80 per month PDA/smart phone stipend to those employees who wish to receive it instead of receiving and using a City issued PDA/phone. Employees choosing to participate in this program will be responsible for securing their own PDA/Smart Phone, and providing the applicable telephone number to the Police Department, and to Human Resources. (See Appendix A.)

14. STADIUM DETAIL

Police Management employees will be paid at 1.5 times the Step 5 Lieutenant salary rate for hours performing Stadium Detail special event work outside an employee's regular schedule, and which amounts shall be reimbursed to the City by the Stadium Authority. Such pay and detail shall be limited to those events where the Chief of Police concludes that the presence and work of Police Management personnel is required.

15. MANAGEMENT LEAVE PROGRAM

The Management Leave Program is as follows:

- A. Effective January 1 of each year, represented employees will be credited with 120 hours of Management Leave.
- B. New hires or employees promoted into Unit 9A between January 1 and June 30 will be credited with 120 hours of Management Leave. New hires or employees promoted into Unit 9A between July 1 and December 31 will be credited with 60 hours of Management Leave.
- C. Use of Management Leave is subject to approval by the City Manager or his/her designee. Such use shall be approved unless staffing or other conflicts prohibit such approval.
- D. Management Leave is not charged through the Salary Adjustment Form.
- E. Management Leave may not be converted to cash or other paid time off.
- F. Unused Management Leave may be carried over from one calendar year to the next; however, an employee may never have more than 180 hours of "banked" management leave. (Thus, and for example, an employee that already has 180 hours of management leave on January 1 would not receive any further management leave. An employee that already has 100 hours of management leave on January 1 would "only" receive an additional 80 hours. An employee with

60 or fewer hours of banked management leave on January 1 would receive 120 hours.

16. EMERGENCY PAID LEAVE POOL

A. ADMINISTRATION

Administration of this program shall be provided by a three (3) member Emergency Paid Leave Board (Board) consisting of two (2) members of the Unit 9A Board and the City Director of Human Resources (or designee). Determination of eligibility to use the vacation established in this Emergency Paid Leave pool will be by majority vote of this board. An adverse decision of this board may be appealed to the Association Board of Directors and their determination shall be final.

B. METHOD OF DONATION

- 1) Contribution of vacation or CTO will be computed at the member's base hourly rate of pay (excluding premium or specialty pay).
- 2) Contribution may be made from earned vacation, CTO or cash only. Conversion of Sick Leave to Vacation for purposes of donation to this pool will be immediately credited to the pool without the ninety (90) day waiting period.
- 3) In a case where it has become known that an employee has been seriously injured or has a life-threatening illness and is in need of assistance from the Emergency Paid Leave Pool, contributions from accrued Sick Leave, bypassing vacation conversion, computed at the contributing employee's base hourly rate of pay (excluding premium or specialty pay) may be made for the benefit of that specific employee who has the need.
- 4) Employee may authorize the City to automatically convert vacation that should be accrued to the employee to the pool when the employee's vacation accrual has reached the maximum allowed.
- 5) Funds contributed to the Emergency Paid Leave Pool will be placed in an interest bearing Trust Fund. The Trust Fund will be accumulated in total dollars. No record of number of hours contributed to the Pool will be maintained. An employee making a donation to the Pool will not have a vested right to the amount donated. The Finance Department will report the status of the fund on a calendar quarter basis to the Association.
- 6) Employees may contribute earned vacation, CTO or cash to the Emergency Paid Leave Pools of other City bargaining groups.

C. USE OF POOL

Employee must have a verified emergency need for time off to request Emergency Paid Leave from the pool. Non-medical emergencies shall be verified by certification acceptable to the Board and shall include the anticipated duration of the emergency. Medical emergencies for the employee or dependent shall be verified

by a doctor's certification and shall include the anticipated duration of the medical emergency. An employee's initial request to use leave for a medical emergency shall be made to the City's Director of Human Resources (or designee). The Director of Human Resources (or designee) shall make an initial determination regarding whether the employee's request to use Emergency Paid Leave is for a verified medical emergency. The Director of Human Resources (or designee) shall notify the rest of the Board of the name of the individual making the request, the date of the request and whether or not the individual's request qualified as a verified medical emergency need under this section.

- 1) Employee must have exhausted appropriate paid leave (sick leave including eligible conversion to vacation, vacation or CTO) prior to becoming eligible to request Emergency Paid Leave benefits from the pool. Employee will be notified by the Personnel Department when they first become eligible to request emergency leave benefits from the pool.
- 2) The maximum time available from the pool (subject to the assets of the pool) will be 160 hours (two [2] pay periods) for Emergency Paid Leave benefits due to the illness or injury of the employee or the maximum allowable accrual of vacation for emergency needs of the family of the employee.
- 3) An additional 160 hours (two pay periods) will be made available in extreme circumstances if an employee has a medical emergency. The decision to grant or deny a request for an additional 160 hours will be made by a majority vote of the Employees' Association Board Members.
- 4) Emergency Paid Leave will be deducted from the pool based upon the employee's base hourly rate of pay (excluding premium or specialty pay).
- 5) Emergency Paid Leave hours will be made available for use in the pay period following approval by the Board.
- 6) Use of Emergency Paid Leave from the pool will be treated in the same manner as use of regular vacation. The employee will continue to accrue sick leave, vacation, insurance coverage and other benefits in the same manner as he/she would if using regularly credited vacation.
- 7) Emergency Paid Leave that has been credited to the employee and has not been used when the emergency has terminated will be reinstated to the pool. Vacation, sick leave and other benefits that have accrued to the employee will remain in the employee's account.

17. ALTERNATE WORK SCHEDULE (NINE-EIGHTY SCHEDULE)

Unit 9A employees shall be eligible to work a 9/80 alternate work schedule according to the conditions, criteria, and requirements set forth in City Manager's Directive 71. Requests to work a 9/80 schedule shall be made through or by the Chief of Police to the City Manager. The City Manager must approve the schedule and the City Manager or Chief of Police may terminate the schedule at any time.

18. FLEXIBLE SPENDING PLAN, INTERNAL REVENUE CODE, SECTION 125

The City will make available a Flexible Spending Plan under the Internal Revenue Code Section 125 for employees. Employees may contribute pre-tax (federal, state, FICA, Medicare) dollars for dependent care and qualified un-reimbursed medical expenses. This Plan will follow the regulations outlined by the Internal Revenue Code. Detailed information will be available in the Summary Plan Document.

The City will pay the administrative expenses for the plan. This Plan is voluntary and participating employees will pay the monthly participation cost. The monthly participation cost will be considered pre-tax, as defined above, under Internal Revenue Code Section 106. Participating employees will be provided with an Employee Plan Summary and regular statements regarding the status of their flexible spending accounts.

19. DOMESTIC PARTNERS

The City shall make all benefit programs available to employees, dependents and domestic partners, subject to the requirements of each benefit provider.

20. CHEMICAL TESTING

It is the policy of the City of Santa Clara, the Santa Clara Police Department and the Association to provide and maintain a drug and alcohol free work environment for all employees. The above parties recognize and agree that the duties, responsibilities and actions of a police officer may expose the City, the Department and its employees to possible civil or criminal liabilities in the area of drug and alcohol use. In order to address the above concerns, all parties agree as follows:

It will be the responsibility of any represented employee to comply with the Santa Clara Police Department policy on drug and alcohol use, and pursuant thereto, to submit to a blood test as appropriate and chosen by the involved employee, when ordered by the Chief of Police or his/her designee. A breath test may be chosen only if alcohol use is suspected. All chemical testing shall be administered in a medically approved manner and as soon as practical after being ordered, but no later than six (6) hours after the incident, in the case of A, B, C, or D listed below, whether the employee is on-duty or off-duty at the time of the occurrence whenever any of the following occur:

- A. Any incident in which a firearm is discharged by an employee, acting under color of authority, and death or serious injury is likely to occur. Furthermore, unless the death or serious injury of another occurs, this section will not apply to incidents in which a firearm is discharged accidentally, as a warning shot, or at a dangerous or suffering animal. For the purpose of this section, the use of an extended range impact weapon is not defined as a firearm discharge unless used as deadly force.
- B. Any intentional use of any other deadly or dangerous weapon by an Officer, or an intentional act on the part of an Officer, which proximately causes the death or, or injury likely to produce death to another.

- C. Any traffic accident involving an employee operating a City-owned vehicle which results in death of another or any traffic accident involving an employee operating a City-owned vehicle which results in an injury likely to produce death to another and the employee appears to be the proximate cause of the accident.
- D. Any incident where the Chief of Police or his/her designee has a reasonable belief based upon objective symptoms that an employee is in violation of the departmental policy on drug or alcohol use. The verbal order to submit to a chemical test(s) shall set forth the reasons for the test(s) and shall be followed at the time the test is administered by a written statement of the order.
- E. Any reasonable incident where the Chief of Police or his/her designee develops reasonable suspicion that an employee has used illegal drugs. Reasonable suspicion will be defined as that quantity of proof or evidence that is more than a hunch, but less than probable cause and must be based on objective and articulable facts sufficient to lead a reasonable, prudent supervisor to suspect that an employee has used illegal drugs.

The following examples, alone or in combination, may constitute reasonable suspicion:

- 1) A pattern of documented abnormal or erratic behavior that indicates potential drug use;
 - 2) Direct observation of drug or alcohol use by a reliable and credible source;
 - 3) Corroborated information provided by a reliable and credible source that an employee has engaged in illegal drug use, the identity of which source shall be available to the employee and the association.
- F. Employees being assigned to, or being rotated out of specific assignments shall be subject to drug testing at the beginning and at the end of such assignments. These assignments include the Specialized Crimes Action Team (SCAT), Santa Clara County Special Enforcement Team (SCCSET), the Administrative Narcotics Investigator, and the Drug Enforcement Agency (DEA) task force.

Demands for drug or alcohol analysis by supervisors which are determined to be malicious will not be tolerated and may subject the directing individual to disciplinary action.

"Designee" is defined as any sworn Santa Clara Police Officer with the rank of Assistant Chief, Captain, Lieutenant or Sergeant.

In the event any portion of the Chemical Testing policy herein described in this MOU is in conflict with any non-negotiated policy, procedure, manual or directive, including the Police Operations Manual, the provisions of this MOU shall prevail.

Nothing in this section shall prevent any represented employee from voluntarily requesting or providing a chemical sample if deemed appropriate by the employee.

21. EMPLOYEE ASSISTANCE PROGRAM

The City agrees to provide a confidential Employee Assistance Program to be funded outside of Total Compensation.

22. MERIT PAY/SALARY ADJUSTMENT PROGRAM

Merit pay adjustments as provided for in the Personnel and Salary Resolution are, and will continue to be available during the term of this MOU when and if approved by the applicable Department Head and the City Manager. The Merit Pay Adjustment system shall include the following elements:

- A. Each Unit 9A employee shall receive an annual evaluation.
- B. Annual consideration of merit pay adjustments with an affirmative decision by the applicable Department Head shall be required each year following the annual evaluation.
- C. Merit pay adjustments shall range from 0 to 5%. However, in 2017 and 2018 only, employees are guaranteed at least 2% and, with Department Head approval, up to 5%.
- D. In 2017, employees are eligible for a merit pay adjustment based on an evaluation prepared by February 2, 2017, which date will be their merit pay anniversary each year going forward.
 - 1) Notwithstanding D. above, for employees that have been employed a full year as of February 2, 2017, they will be eligible on their actual anniversary date, which shall also be their merit pay anniversary date thereafter.
 - 2) Notwithstanding D. above, for employees that receive a merit increase between January 1, 2016 and February 2, 2017, the date of their last merit increase shall be their new merit pay anniversary date.
 - 3) If a Department Head has not completed an evaluation in time for a merit adjustment by an employee's anniversary date (February 2, 2017 for most employees), the applicable merit pay adjustment once determined shall be made retroactive to the first full pay period following the anniversary date (and to February 2, 2017 for those persons whose anniversary date is February 2, 2017).
- E. The City shall not suspend or freeze consideration of merit pay adjustments for Unit 9A employees unless step increases are suspended or frozen for all bargaining units that utilize a step system.
- F. The City and Unit 9A may, by mutually agreement, meet to discuss potential changes to the merit pay system and/or movement toward a step pay system more like other bargaining units.

23. PAY PERIODS

Allowances/payments or accrual rates that are an agreed upon amount per month or year but are paid for administrative purposes in incremental amounts each pay period, shall be the same total amount per year in years in which there are 27 instead of 26 pay periods. This clarification is not intended to and would not modify anyone's salary/pay rate.

24. NEXT MOU NEGOTIATIONS

Unit #9A will submit its proposals for a new MOU for the term commencing at the expiration of this MOU no later than November 1, 2018.

City Manager's Office

Interoffice Memorandum

Date: April 15, 2014

To: Unit 9 – Unclassified Miscellaneous Management Employees

From: Julio Fuentes, City Manager

Subject: Cell Phone/Smartphone Stipend Program for Unit 9 – Unclassified Miscellaneous Management Employees

Scope: This cell phone/smartphone stipend program applies to members of Unit 9– Unclassified Miscellaneous Management Employees. The stipend program is \$80 per month and was effective April 1, 2009.

Purpose: To establish policies regarding the provision and usage of City-owned cellular telephones or smartphones (devices that have voice, data and internet/web access capabilities). The City has determined that it is beneficial to have Unit 9 members accessible by phone/data communications at all times. A Unit 9 employee can choose to have a City-issued cell phone, where the City pays for the Unit 9 employee's cell phone device and service plan through City-managed contracts with cell providers, or they can choose to receive a stipend in the amount of \$80 per month, whereby the Unit 9 employee will purchase and own their own cell phone/smartphone device and pay all service provider charges, or the Unit 9 employee can choose not to participate in either of the above programs.

Summary: This policy outlines and establishes eligibility criteria for Unit 9 employees wishing to receive a monthly cell phone stipend and should be read and understood in conjunction with CMD 116-Use of City Resources and Confidential Nature of Information on City Equipment.

Cellular Telephone/Smartphone Stipend Program: Unit 9 employees may choose to receive an \$80 a month stipend to purchase, maintain, replace or repair their personal cell phone, and pay for any level of cell phone service plan from any provider the employee may select. The \$80 per month allowance is not intended to cover the full cost of any particular cell phone device and/or cell phone service plan. If a Unit 9 employee wishes to purchase a cell phone/smartphone and connect to the City's email system, they must confirm with the City's Information Technology Department that the device they wish to purchase can be connected to the City's Outlook email system. Not all cell phone devices or service programs may be compatible with the City's information technology systems. If you do not desire to connect to the City's email system, then any cell phone or service provider could be selected.

To be eligible for the monthly stipend, the Unit 9 employee must provide the Human Resources Department with an active cell phone number. It is expected that the employee will respond to work-related calls and most critical, actively monitor their phone during City emergency

situations. If a Unit 9 employee participating in the stipend program experiences a lost, stolen or damaged cell phone, it is expected that the employee will actively seek to have the device replaced or repaired in a reasonable period of time in order to remain eligible for the monthly stipend (refer to CMD 116 for additional requirements if a phone is lost or stolen). The stipend program is focused only to the Unit 9 employee's personal cell phone or smartphone, and not to other cell phones that might be included under a shared or family plan that the employee may have with a service provider.

If the Unit 9 employee changes their cell phone number for any reason, the Human Resources Department must be notified in the next work week of the new cell phone number. If an employee receiving a cell phone stipend chooses to no longer use a personal cell phone for any reason, the Human Resources Department should be notified immediately, and the stipend will be discontinued in the next applicable pay period.

The stipend is paid at a rate of \$40 per pay period (with no payment on two of twenty-six pay periods annually). A Unit 9 employee starting employment or terminating employment in the middle of any month will receive one-half of the monthly stipend (\$40). The stipend will commence in the first applicable pay period after the Unit 9 employee's request has been received, reviewed and approved by the Human Resources Department. The essential review criteria are that the employee is a member of Unit 9 Miscellaneous Management Employees' Association, and that the employee has submitted a valid cell phone number as requested. The stipend is considered income to the employee, and is subject to payroll withholding.

CMD 116: Use of City Resources/Non-Confidential Nature of Information on City Equipment:

This CMD addresses key issues related to the ownership and usage of cell phone devices, and should always be read and understood in conjunction with this stipend policy. While it is generally the case that call records for a personally owned phone are not subject to public records requests, the law in this area can and does change. CMD 116 advises that employees adhere to City policies related to public records and email retention. The City Attorney's Office should be consulted for advice and/or resolution of public records concerns.

City-Issued Cell Phone Program: A Unit 9 employee can choose to have a City-owned cell phone issued to them in lieu of a monthly stipend. Under this program, the Information Technology Department has responsibility for the selection of cell phone devices and cell phone service providers. The City then maintains a record of an employee's cell phone number and usage information. Activity on City-owned cell phones is accessible as a public record. A Unit 9 employee cannot have a City-issued phone and a stipend. One or the other must be selected. If you currently have a City-issued cell phone and wish to participate in the stipend program, you will need to acquire a personal cell phone and service plan and then turn in your City-issued cell phone. Part of the rationale for this program is to decrease the number of City supplied/City supported cell phones through the use of a stipend program.

Cell Phone Stipend Program for Unit 9 – Miscellaneous Unclassified Management Employees

April 11, 2014

Page 3

Opt Out: A Unit 9 Miscellaneous Management employee can choose not to participate in either the cell phone stipend program or the City-issued cell phone program. If certain work assignments require the use of a cell phone that can be accomplished through the temporary provision of a City-issued cell phone through the duration of the assignment.

Cell Phone/Smartphone Stipend Program Enrollment: A current Unit 9 employee can initially enroll in this stipend program by emailing the Human Resources Department and requesting participation in the stipend program. You must include your 10-digit cell phone number in the email; therefore you must have a personal cell phone device and a service plan activated prior to receiving a stipend. At that time the Human Resources Department will send you a Cell Phone Stipend packet and form, which you will need to fill out and return to them. Thereafter, the Human Resources Department will present the cell phone stipend enrollment opportunity to new Unit 9 employees through employee orientation.
