N21-621	7/21/2021	Amrit S. Kulkarni <i>(Meyers Nave)</i>	Our law firm represents Bloom Energy Corporation ("Bloom"). On June 29, 2021, Bloom filed a lawsuit against the City of Santa Clara ("City"), alleging claims under the California Environmental Quality Act ("CEQA") as well as other claims, entitled Bloom Energy Corporation v. City of Santa Clara, Santa Clara County Superior Court Case No. 21CV383800 (hereinafter the "Action"). Pursuant to Public Resources Code Section 21167.6(b)(2), Bloom has elected to prepare the record of proceedings for the Action. In order to prepare the record of proceedings, Bloom requires the documents comprising the record. As such, pursuant to the California Public Records Act (Gov. Code, §§ 6250 et seq.) and Article I, section 3(b) of the California Constitution, we hereby request that the City provide us with copies of the documents listed below.  <u>We hereby request the following Documents:</u> The documents constituting the CEQA record of proceedings, as defined by Public Resources Code Section 21167.6, subdivision (e), for the Project as follows: 1. All project application materials. 2. All staff reports and related documents prepared by the respondent public agency with respect to its compliance with the substantive and procedural requirements of this division and with respect to the action on the project. 3. All staff reports and related documents prepared by the respondent public agency and written testimony or documents submitted by any person relevant to any findings or statement of overriding considerations adopted by the respondent agency pursuant to this division. 4. Any transcript or minutes of the proceedings at which the decision making body of the respondent public agency heard testimony on, or considered any environmental document on, the project, and any transcript or minutes of proceedings before any advisory body to the respondent public agency that were presented to the decision making body prior to action on the environmental documents or on the project. 5. All notices issued by the respondent public agency to comply with this division or with any other law governing the processing and approval of the project.	33

			<p>6. All written comments received in response to, or in connection with, environmental documents prepared for the project, including responses to the notice of preparation.</p> <p>7. All written evidence or correspondence submitted to, or transferred from, the respondent public agency with respect to compliance with this division or with respect to the project.</p> <p>8. Any proposed decisions or findings submitted to the decision making body of the respondent public agency by its staff, or the project proponent, project opponents, or other persons.</p> <p>9. The documentation of the final public agency decision, including the final environmental impact report, mitigated negative declaration, or negative declaration, and all documents, in addition to those referenced in paragraph (3), cited or relied on in the findings or in a statement of overriding considerations adopted pursuant to this division.</p> <p>10. Any other written materials relevant to the respondent public agency's compliance with this division or to its decision on the merits of the project, including the initial study, any drafts of any environmental document, or portions thereof, that have been released for public review, and copies of studies or other documents relied upon in any environmental document prepared for the project and either made available to the public during the public review period or included in the respondent public agency's files on the project, and all internal agency communications, including staff notes and memoranda related to the project or to compliance with this division.</p> <p>11. The full written record before any inferior administrative decision making body whose decision was appealed to a superior administrative decision making body prior to the filing of litigation."</p> <p>12. All documents constituting the record of proceedings for any claims asserted in the Action that are not covered by Request No. 1 above.</p>	0

N21-754	8/26/2021	Teresa O'Neill	Copies of FPPC complaints  Good afternoon, Hosam--  I hope all of the residents of the Up House are doing well and enjoying the summer.  A few months back, you were kind enough to furnish me the numbers assigned by the FPPC for the complaints you filed against various campaign and financial filings submitted by Kevin Park. The FPPC recently confirmed for me that they have converted your complaints to cases and are currently in the investigation stage. While the FPPC has assigned case numbers which are available on their website, the actual complaint is not.  I believe your complaint submission is considered a public document, so could you send me the documents that you submitted to the FPPC? Many thanks for your assistance. Please let me know if you have any questions related to my request.	1
