

# Prioritize Santa Clara

## Infrastructure Investments

Prioritize Santa Clara is a series of interactive discussions with the community about critical infrastructure improvements in the City. Residents are invited to participate in conversations about these future improvements with their neighbors and City staff.

### Join a Virtual Tour

Join City staff at [Facebook.com/CityofSantaClara](https://www.facebook.com/CityofSantaClara) for a series of live virtual tours on the City's Facebook page of Santa Clara's infrastructure projects and investment. This is an opportunity to go "behind the scenes" and see what projects are being done to maintain and improve critical infrastructure, including what needs we have in the future.

**Each day from Wednesday, May 27 through Saturday, May 30 at 3 p.m., you're invited to follow along as we:**

1. Take a walk through our Santa Clara streets to see how we keep pedestrians, cyclists and drivers safe (**Wednesday, May 27**)
2. Learn about how you and your family are protected from floods and what happens to storm water in Santa Clara (**Thursday, May 28**)
3. Explore a Santa Clara Fire Station and experience firsthand how our firefighters live and work (**Friday, May 29**)
4. Tour Santa Clara's Central Park and see what goes into keeping one of our most iconic resources so amazing (**Saturday, May 30**)

### Online Community Meetings:

This virtual tour series will set the stage for meaningful community dialog called Prioritize Santa Clara, which will take place on June 1-6 through a virtual meeting on Zoom. Santa Clara residents will have the opportunity to ask questions and directly interact with City staff about how the City's unmet capital needs affect City services now and in a post COVID-19 environment.
