I seek your vote for Santa Clara City Council District 6. Your priorities are my priorities. I share your goals to enhance residents' quality of life by reducing deficits, rebuilding downtown, balancing our budget, improving infrastructure, enhancing our entertainment district & generating business & enterprise revenues.

I'm a lifelong Santa Claran, educated locally & earning a San Jose State University degree. Santa Clara faces the need for change. We need fresh ideas, new perspectives and a new voice for residents. Recycled career politicians have brought deficit spending, mounting lawsuits & discordant government.

I'm independent from any obligations to special interests. I'll serve only the best interests of Santa Clarans by being your voice in shaping our city's future.

As Planning Commissioner & former chair in 2019, I understand well the growth & housing needs for all Santa Clarans. Development must be inclusive and harmonious with existing neighborhoods, as well as affordable & aesthetically pleasing. My priority is to end backroom deals, costly litigation & work cooperatively with leaders of neighboring cities while keeping Santa Clara safe.

The time has come to elect fresh leadership for Santa Clara's future. I respectfully ask for your vote.
