Street Sweeping: More than just good looks

Street sweeping can remove leaves and litter that otherwise would end up clogging storm drains and polluting our local creeks. However, your help is needed for a more effective sweep and to keep Santa Clara streets clean between sweeps.

To help us keep your streets clean:

- Avoid parking your vehicle on the street during sweeping days.
- Rake leaves and place in your Clean Green Cart.
- Never blow leaves into the street or storm drains.
- Ask us about the Adopt-a-Spot program!

To report a clogged drain, or for more information on ways you can prevent storm water pollution contact:

Public Works Department
street@santaclaraca.gov | 408-615-3080
www.santaclaraca.gov/streetsweeping

Schedule:

Your street is swept at least bi-weekly the day after your trash is picked up.

If you have Friday pick up your street is swept the following Monday.

Have extra yard trimmings that don't fit into your cart ?

Call Mission Trail Waste Systems for an additional FREE Clean Green cart at: 408-727-5365
