

POLICE BLOTTER

Week of October 11, 2020

The Police Blotter highlights a partial list of incidents in the city and is distributed on a weekly basis. The Blotter provides the date, time, approximate location, a narrative summary of the incident, case number and the most serious arrest charge.

Meanwhile, the Arrest Log provides a timely, chronological summary of all the arrests made by the Santa Clara Police Department. It includes the name of the suspect(s), date of birth, city in which they reside, arrest date, time, location, case number as well as all the charge(s) associated with the arrest. This information, located on the Santa Clara Police Department's home page (www.scpd.org), is updated daily and serves as the most comprehensive list of arrests made.

Based on the mandatory orders from Santa Clara County Public Health, the City of Santa Clara has implemented many service level changes, limited to essential services. Since the preparation and distribution of a Police Blotter is not an essential service, it will be produced as resources are available.
