

# City Manager's Annual Report

## Dear Community

Welcome to 2021 – The City of Santa Clara will always respond when needed, and 2020 was no exception. From donating face coverings or hand sanitizer to supporting our small business community to providing food to those in need – no matter what is happening in the world, Santa Clarans come together to support our community. No matter what, Santa Clara Responds. We want to celebrate the ways that our City has come together to support each other during such unprecedented times.

In 2020, the City had to pivot quickly in the face of a global pandemic: COVID-19. We led our way through major global, national, state and local public health and economic emergencies. Through such challenges,

the City was recognized for its outstanding service to the community, from everything to nationally recognized procurement standards to excellence in communications.

### Santa Clara Responds!

Understandably, priorities have shifted over the last year, but we continue to innovate and leverage current resources to best meet community needs, such as providing: food for seniors and schoolchildren; electric, water, and sewer payment relief; financial assistance for small businesses; rental payment assistance; garbage/refuse bill payment relief; masks and hand sanitizer; COVID-19 testing in Santa Clara; and, so much more. We continue to make strategic decisions and support our strong community values and continued advancement of the Council's Strategic Goals and Priorities, while making sure our community has access to the services it needs. In fact, each of the months in this calendar represent an effort to support our community during this time.

### Keeping Santa Clara Connected

Even when we can't gather in person, we want to make sure that the Santa Clara community can access necessary information about emergency services, public health updates, access to food or housing and more. To increase accessibility and communication, we rehailed many

past practices to make City government easier to access for the community. While there is always more work ahead, there is no doubt that we have come a long way. Our newly designed, award-winning City website, [SantaClaraCA.gov](https://www.santacruzca.gov), was launched with a focus on the community and optimal accessibility. The much-loved publication, Inside Santa Clara, was substantially redesigned using community input at a lesser cost than the previous publication. We also began releasing more topic-specific videos, particularly during the height of the pandemic, that allowed us to connect to our community even more during the shelter-in-place. Our use of Facebook Live, which included the weekly Mayor@Noon series

and the informative behind the scenes look at City infrastructure, attracted thousands of viewers and offered those watching the chance to ask questions in real-time.

While many cities found themselves struggling over the last year, Santa Clara came together. Though the future is still uncertain, and we have more work to do to make sure our community is supported, it has been my honor to be part of the incredible work that has happened so far. I want to thank the Mayor and City Council, Santa Clara community and City staff for their resilience and commitment to making Santa Clara "The Center of What's Possible." The past year has proven that no matter what happens, the Santa Clara community is ready to respond and take care of each other. Thank you for the opportunity to be Santa Clara's City Manager, and I look forward to working with you all in the future.

In community spirit,

Deanna J. Santana  
City Manager

## Santa Clara Responds!

- Launched **Small Business Assistance Grant Program**, the first program like it in the area, to provide \$1.69 million in available funds to support local small businesses and nonprofits in Santa Clara.
- Added additional funding of \$1.5 million to **Emergency Rental Assistance Program** for a second round of assistance for eligible households based on income levels, for three consecutive months of rent.
- Coordinated **Food Distribution Programs** for youth and seniors that continue as the City works with Santa Clara Unified School District and community partners to ensure ongoing access to food for vulnerable populations.
- Launched City's "**Help Your Neighbor**" program that invites residents to make donations that provide emergency assistance to utility bill payments for Santa Clarans who are experiencing financial hardship.
- To help **protect our local restaurants** from excessive fees charged by some third-party food delivery apps, the Council approved an emergency ordinance to limit delivery fees charged.

A more detailed summary of accomplishments can be downloaded from the City website, [SantaClaraCA.gov](https://www.santacruzca.gov).

Due to the uncertain nature that the COVID-19 pandemic has had on public gatherings, the City's long-standing annual events, such as Egg-stravaganza, 4th of July Picnic & Fireworks, Art and Wine Festival, etc., have not been scheduled.

# City Budget of Santa Clara

In June 2020, the City of Santa Clara adopted the biennial capital budget for a two-year period, July 1, 2020 through June 30, 2022, totaling \$479.5 million as well as a \$709.3 million Five-Year Capital Improvement Program. This budget supports capital improvements throughout the City, including the utility infrastructure, parks, trails,

libraries, transportation system, storm system, convention center and other city facilities. In addition, adjustments were made to the FY 2020/21 operating budget, which totals \$1.06 billion. This included adjustments necessary due to the COVID-19 impacts on City revenues. Information about current and previous budgets can be found at [SantaClaraCA.gov/Finance](http://SantaClaraCA.gov/Finance).

# Santa Clara Responds: Providing Meals to Senior Community

The City adjusted its regular Senior Nutrition Program to offer safe curbside lunch pickup on weekdays at the Santa Clara Senior Center. Through a partnership with Spectra and the Santa Clara Firefighters Foundation, the City also provided seniors with weekend breakfast and lunch to-go meals. These were available through curbside pickup or delivery to homebound seniors and the unhoused.

# Santa Clara Responds: Silicon Valley Power Launched Efficiency Grant Program

The City's electric utility, Silicon Valley Power, launched an Energy Efficiency Grant Program to help Santa Clara small businesses who have been impacted by COVID-19 to fund energy efficiency upgrades. Up to \$10,000 is available for qualified small businesses to fund lighting, HVAC, HVAC controls or food service equipment upgrades. These improvements will help lower business operating costs by reducing electric consumption. Applications are being accepted through June 2021, or until funds are exhausted, and interested businesses should visit [SiliconValleyPower.com/BusinessRebates](https://SiliconValleyPower.com/BusinessRebates).

# Santa Clara Responds: Commit to Action

In response to the national call for social justice, the City of Santa Clara established the Task Force on Diversity, Equity and Inclusion. To strengthen this collaboration further, the City established a Memorandum of Understanding with Santa Clara University's Markkula Center for Applied Ethics. The Task Force will work with community partners to engage residents in open dialogue and make recommendations to the City on actions to achieve racial equity and meaningful change. # Santa Clara Responds: Everybody Loves Parks & Recreation!

During the pandemic, the Parks & Recreation Department went virtual with a series of videos, including a virtual grand opening for Reed and Grant Sports Park and celebrating the of completion of four additional park rehabilitation/expansion projects. The City committed to keeping the community safe through strict health and safety protocols with mini-camp summer sessions and recreation classes. As park amenities began to reopen, the City's goal was to provide a safe and healthy environment for our residents of all ages.

# Santa Clara Responds: Santa Clara Fire Department Deliver Meals to the Community

The Fire Department assisted the City to deliver weekend meals to seniors during the pandemic. Fire Department personnel and some volunteers delivered meals to older adults in Santa Clara who are homebound. Each week, approximately 1,200 meals were distributed to seniors for grab and go or delivered directly to their homes.

# Santa Clara Responds: Library Takes Programs to a Digital Level

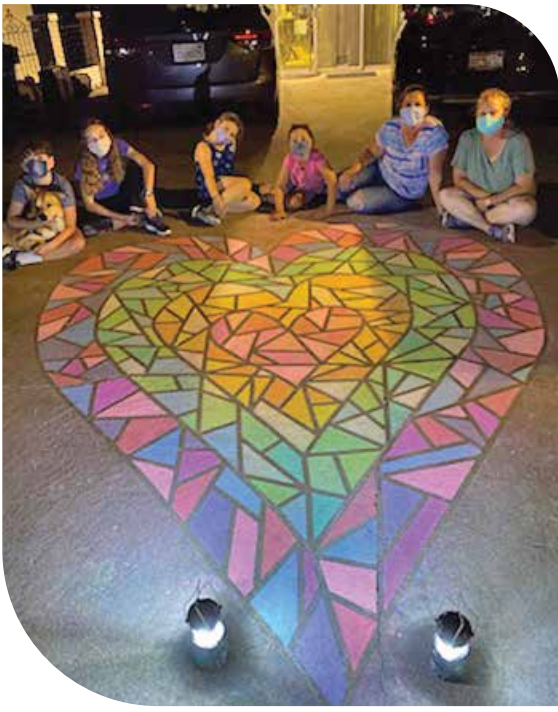

Per the Santa Clara County's shelter-in-place order in March 2020, the Santa Clara Library closed to the public to help slow the spread of COVID-19 and keep our community safe. To help residents and families who were at home, Library staff began to offer digital programming for patrons of all ages. With everything from themed story times, language programs, concerts, interviews, crafting tutorials and even puppet shows, the Library created its own safe programming to help residents stay engaged. All the incredible programming is available for free on the Library's Facebook page.

# Santa Clara Responds: Community Chalk Art Focuses on Love Santa Clara

Community members were invited to show how much they love Santa Clara during the Santa Clara Chalk Art Contest! Aspiring artists created their own chalk art masterpieces on sidewalks around the City, using the theme “Summer 2020 Santa Clara” to inspire them. The community voted for their favorite artwork in a variety of age groups from 5 and under to 19 plus. Even though we couldn’t come together in person, neighbors across Santa Clara shared their love of the community through beautiful works of art.

# Santa Clara Responds: Santa Clara Provides Grants to Local Businesses & Nonprofits

To mitigate the impact of COVID-19 on Santa Clara small businesses/nonprofits and their employees, the City committed up to \$1.69 million in one-time funds to create a Small Business Assistance Grant Program. The City was able to award over two hundred small businesses and nonprofits grants of \$5,000 or \$10,000, depending on their eligibility. Santa Clara was one of the first cities in the region to launch this type of assistance program one month after Santa Clara County issued its first shelter-in-place order. The City also expanded use of the grant to include expenditures related to social distancing improvements, in addition to payroll and lease payments.

# Santa Clara Responds: Community Response Team Protects Santa Clarans At-Risk

The Police Department's Community Response Team (CRT) works towards goals of crime reduction and promoting community wellness, often among vulnerable populations. In 2020, SCPD established two Crisis Intervention Specialist positions, as part of CRT. The Specialists coordinate and support beneficial outcomes for persons with mental illness who have come to the attention of the Department. CRT's function has many community benefits, including addressing long-term public safety issues, allowing patrol officers to focus on in-progress events, community engagement, and proactive police work.

# Santa Clara Responds: What's Old is New – Drive-thru Window Returns

After 30-plus years, the City's drive-thru service window at City Hall reopened for business. This contactless service allowed a safe, easy way for the public to drop-off certain bill payments, purchase garbage tags and even make appointments for other services. Though many of the City's essential services can also be accessed and completed online, the City Hall drive-thru window provided an additional option for the community to access services while still staying safe.

## Annual Cleanup Campaign is May 3 - May 28, 2021

The Cleanup Campaign is a service for the residents of the City of Santa Clara, not for people from other communities, contractors or businesses. Call 408-615-3080 weekdays or 408-615-5580 after 4:30 p.m. or on weekends if you witness illegal dumping in progress.

**DO NOT** set out your materials before the specified dates. Early set-outs are subject to a **\$150 fine**.

**DO NOT block driveways, sidewalks or bike lanes.**

Place materials only in front of your address and at least 3 feet from any obstructions such as fire hydrants, fences, poles, cars, trees, bushes or walls. Avoid parking on the street during your collection week.

**Not all developments participate in the Cleanup Campaign. Unsure about your area or where to place your items? Contact 408-615-3080.**

### ACCEPTED MATERIALS

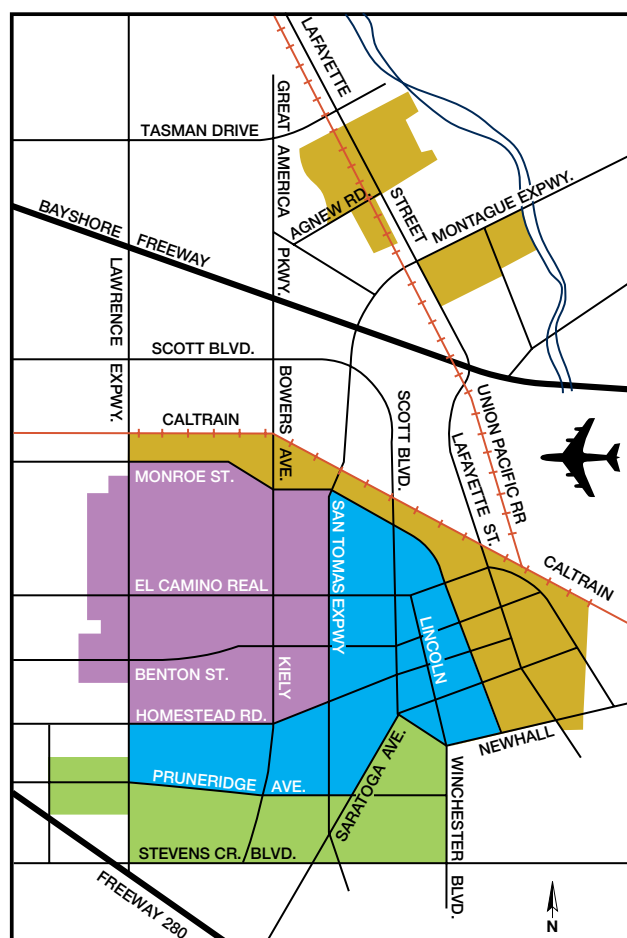

- Bulky items such as old furniture, carpets, mattresses, toilets, foam packaging, etc.
- Appliances, tires, e-waste (anything that requires a plug or battery to operate), fencing, branches and brush (no longer than 6 feet in length). **Separate each of these types of materials for special collection.**
- All** concrete, asphalt, dirt, brick, rocks, drywall and/or sawdust **MUST** be set out in a heavy duty bulk bag no larger than 1 cubic yard to prevent potential stormwater runoff pollution. Failure to use a bulk bag for these items is subject to a \$150 fine. Bulk bags may be purchased at a retailer of your choice or at the City Hall Utility Payment Window, 1500 Warburton Ave., starting April 6. A total of 1 cubic yard of bagged debris will be picked up at no charge. Additional bagged cubic yards will be assessed at \$25/cubic yard.

### ITEMS NOT ACCEPTED

- New rule:** no pressure **treated wood** waste accepted. Starting **January 1, 2021**, pressure **treated wood** waste such as fence posts, railroad ties and decking must be managed as **hazardous waste** and will **not be collected**.
- Contractor-generated** landscape or construction/demolition debris.
- Household hazardous waste** such as paint, chemicals, automotive fluids, solvents, fertilizers, cleaning products, compact fluorescent light bulbs (CFLs), batteries or sharps. Illegal set-out of hazardous materials is subject to a \$500 fine.  
 Visit [HHW.org](http://HHW.org) or call the County Household Hazardous Waste Program at 408-299-7300 to schedule a FREE drop-off appointment.
- Biohazardous waste** or biomedical waste such as diapers, sanitary napkins, sharps and syringes, human and animal waste, and any other infectious materials.
- Ammunition and explosives.** For safe disposal, call the Santa Clara Police Department at 408-615-5580.
- Medications.** Safely dispose of expired or unwanted medications at the MED-Project kiosks located throughout the City. For additional information and a list of locations, visit [SCCMEDS.org](http://SCCMEDS.org).

Do your part to make sure recyclable and salvageable materials stay out of the landfill. Visit [SantaClaraCA.gov/CleanSC](http://SantaClaraCA.gov/CleanSC) for a list of items accepted in your weekly curbside recycling collection. To find out where you can donate your salvageable items, visit [RecycleStuff.org](http://RecycleStuff.org) or call 1-800-533-8414.
