

POST-CONSTRUCTION SOLID WASTE GENERATION ESTIMATION AND COLLECTION FORM FOR NEW DEVELOPMENT & REDEVELOPMENT

Department of Public Works (408) 615-3080 or Environment@SantaClaraCa.gov

Refer to the City of Santa Clara's Development Guidelines for Solid Waste Services before filing out this form.

The objective of this Plan is to design a waste and recycling system for the project that reduces cost, minimizes staffing requirements and environmental impacts, and provides convenient waste and recycling disposal for the project's occupants.

- If the project is being constructed in phases, this management plan must be designed to adequately meet the demand of each phase.
- All refuse from residential, commercial, industrial and institutional properties within the City limits shall be collected at least once a week using City approved haulers as described in Santa Clara's Development Guidelines for Solid Waste Services.
- **Attachments** required to be submitted with the Solid Waste Management Plan:
 - Site plan denoting locations of each of the solid waste collection points (please label clearly)
 - Site plan showing all enclosure parts (doors, walls, bin aisles, approach pad, elevation, drainage detail, etc.) with dimensions and other specifications, including trash staging areas if applicable.
 - Site plan showing the travel path for collection trucks and trash caddy, including vertical clearance, path width and turning radius.
 - If using chutes or compactors, include all specifications and locations.
 - For shared enclosures, list all the tenants (or businesses) sharing each enclosure and their square footage.

Description of the Project		
This Plan Prepared By	Telephone	
Hauler Company for area zoned Industrial	<input type="checkbox"/> I will choose a hauler from the approved City's Non-Exclusive Franchise Haulers List <small>[Contact Department of Public Works for more information]</small>	
Trash chute(s) needed?	<input type="checkbox"/> Yes <small>[provide specs and location]</small> <input type="checkbox"/> No	Trash Compactor(s) needed? <input type="checkbox"/> Yes <small>[provide specs and location]</small> <input type="checkbox"/> No
Trash container staging needed?	<input type="checkbox"/> Yes <small>[provide specs and location]</small> <input type="checkbox"/> No	Provide a space for flattened cardboard? <input type="checkbox"/> Yes <small>[provide specs and location]</small> <input type="checkbox"/> No

Residential Solid Waste Volume Projections (Multi-Family or Shared Service for Townhomes Only):

	# of Units	Estimated garbage generation <small>(e.g. 20 cubic yards/week)</small>	Number of Bins	Proposed Bin Size <small>(e.g. 4 cubic yards)</small>	Frequency of Collection <small>(e.g. 3 x/week)</small>	Compactor? <small>(Yes/No)</small>
Garbage						
Recycling						

Will Landscape contractor haul away yard trimming materials from common areas for recycling? Yes No

If no, complex must arrange for Yard Trimming collection service from Mission Trail Waste Systems.

Commercial Solid Waste Volume Projections for Garbage:

	Area (ft ²)	Estimated garbage generation (e.g. 20 cubic yards/week)	Number of Bins	Proposed Bin Size (e.g. 4 cubic yards)	Frequency of Collection (e.g. 3 x/week)	Compactor? (Yes/No)
Office						
Retail						
Food Service						
Data Center						
Industrial						
TOTAL						

Commercial Solid Waste Volume Projections for Recycling:

	Area (ft ²)	Estimated recycling generation (e.g. 20 cubic yards/week)	Number of Bins	Proposed Bin Size (e.g. 4 cubic yards)	Frequency of Collection (e.g. 3 x/week)	Compactor? (Yes/No)
Office						
Retail						
Food Service						
Data Center						
Industrial						
TOTAL						

Will Landscape contractor haul away yard trimming materials for recycling? Yes No

If no, complexes located in the exclusive franchise area must arrange for Yard Trimming collection service from Mission Trail Waste Systems. Complexes in areas zoned as Industrial must arrange for Yard Trimming collection service with a hauler currently on the Non-exclusive Franchise Hauler list.

Mixed-Use Solid Waste Volume Projections: Use the tables above and complete applicable categories.
