

POLICE BLOTTER
Week of January 31, 2021

The Police Blotter highlights a partial list of incidents in the city and is distributed on a weekly basis. The Blotter provides the date, time, approximate location, a narrative summary of the incident, case number and the most serious arrest charge.

Meanwhile, the Arrest Log provides a timely, chronological summary of all the arrests made by the Santa Clara Police Department. It includes the name of the suspect(s), date of birth, city in which they reside, arrest date, time, location, case number as well as all the charge(s) associated with the arrest. This information, located on the Santa Clara Police Department's home page (www.scpd.org), is updated daily and serves as the most comprehensive list of arrests made.

Based on the mandatory orders from Santa Clara County Public Health, the City of Santa Clara has implemented many service level changes, limited to essential services. Since the preparation and distribution of a Police Blotter is not an essential service, it will be produced as resources are available.

Missing Person Location: 700 Block of Lawrence Expressway

At approximately 1300 hours, the daughter of Mr. Do picked up a prescription and received an injection before placing her father on a bench in front of Kaiser Hospital while she went to get the car. When she returned at approximately 1315 hours, Mr. Do was missing.

A Kaiser staff member called Public Safety Dispatchers at approximately 1434 hours. Mr. Do was determined to be a high-risk 99-year gentleman with Alzheimer's.

Mr. Do was tracked on video surveillance camera to the northwest corner of the Kaiser campus and was last seen walking towards Homestead Road. Multiple police units responded to the area. A Trak Flyer was released to surrounding law enforcement agencies. The Santa Clara County Sheriff Department Air Unit searched the area to no avail. This case eventually met the criteria established by the California Highway Patrol to issue a Silver Alert and a Santa Clara County Sheriff's Department Search and Rescue tracking dog was deployed.
