

Santa Clara Police Training Flash

New Mexican Electronic Passport

On October 5th, 2021, The Consulate General of Mexico issued out new electronic passports. They have an updated design, more than 50 new security features, and a chip containing biographical/biometric information.

“In light of the significant number of Mexican nationals traveling, transiting, or living in the area...” (1) please be informed of the updated design and security features. Be aware that every passport issued before this new electronic passport version will remain valid until it’s expiration date. The “New Mexican Electronic Passport” PDF containing the security features can be located on the Santa Clara Police Intranet. The “New Mexican Electronic Passport” will be in the “Forms” tab in the “Training Forms” folder or the link is attached below:
