 - a. Special events held on the grounds of Triton Museum of Art are processed by the Department of Public Works' Street Division. Interested applicants must contact Triton's Rental Manager first at rentals@tritonmuseum.org and enter into a facility rental contract before submitting their Special Event Application in person to the Permit Counter at City Hall located at 1500 Warburton Ave., Santa Clara, CA 95050.

4. Please note that there may be insurance and other City permits, inspections, and associated fees required aside from the application and application fee that the event organizer is responsible for obtaining. Each section of this application provides the contact information for the department(s) responsible for issuing the required permits for your special event.
5. After your application has been received, you may be contacted for additional information about your event.
6. After a full review of your application, you will be issued conditional approval or denial for the event. The conditional approval will list the requirements for the event, such as permits, inspections, insurance, licenses and applicable fees. Your event, depending on its size and complexity, may require a pre-event meeting with City staff from affected departments as part of the approval process.
