JUNE 2022 E-NEWSLETTER

City of Santa Clara Celebrates LGBTQIA+ Pride Month

Mayor Lisa M. Gillmor, Vice-Mayor Sudhanshu “Suds” Jain, Councilmembers Kathy Watanabe, Raj Chahal, Karen Hardy, Anthony Becker and distinguished guests attended the 6th annual LGBTQIA+ Pride Flag Raising Ceremony on **Friday, June 3, 2022**, at noon at City Hall. The event’s ceremonial speakers included Mayor Lisa M. Gillmor, Councilmember Anthony J. Becker, Santa Clara Police Chief Pat Nikolai, Assemblymember Alex Lee, Assemblymember Evan Low, Senator Bob Wieckowski, County Supervisor Susan Ellenberg, Ken Yeager of BAYMEC Community Foundation, Gabrielle Antolovich of the Billy DeFrank LGBTQ+

Community Center, and Sera Fernando of Santa Clara County Office of LGBTQ Affairs. To celebrate LGBTQIA+ Pride Month, the City of Santa Clara and the Santa Clara City Library is inviting the public to participate in multiple events throughout June 2022. Some of the events include inclusive family Storytime, Teen Pride Party, Gender Identity Workshop for Teens, Pronoun Workshop for Parents, Pride Craft for Adults, and Pride Crafternoons. Visit SantaClaraCA.gov/Pride for more information on the events throughout June. Also, during the June 7, 2022, City Council meeting, the Council will proclaim the month of June as LGBTQIA+ Pride Month.

Raymond G. Gamma Dog Park Improvements Project Awarded “Project of the Year”

On May 18, 2022, the City of Santa Clara received a Project of the Year award for the Raymond G. Gamma Dog Park Improvements Project (Project) from the local chapter of the American Public Works Association (APWA). Receiving this award is a major achievement for the Department of Public Works (DPW) and highlights both the partnership with the Department of Parks and Recreation as well as the high-quality projects DPW delivers that enhance the Santa Clara community.

“Be Strong, Live Long” Health & Wellness Fair” a Success!

Over 400 people of all ages visited 50 exhibitor booths on **Friday, May 20**, in celebration of Older Americans Month. This outdoor event in Fremont Park next to the Senior Center connected Santa Clarans to the many organizations in Santa Clara County helping to make our daily lives better. This annual event, sponsored by the Senior Advisory Commission and the Senior Center, is held on the third Friday in May – hope to see you next year!

40th Anniversary Santa Clara Art & Wine Festival

Get ready to celebrate 40 years of the Santa Clara Art & Wine Festival on **Sept. 17-18** in Central Park, 909 Kiely Blvd. Spend the weekend enjoying live entertainment, delicious food, fine wine, ice cold beer and a wide variety of art vendor booths to browse. **Call for Artists** - We are still seeking talented artists. Are you an artist or craftsperson who sells original handmade arts or crafts? Email FestivalArtists@SantaClaraCA.gov for more information. **Sponsorship Opportunities** - Businesses and organizations can reach over 30,000 festival attendees over the weekend. A variety of sponsorship packages are available for purchase. Email TFreitas@SantaClaraCA.gov or call 408-615-3188 for more information. Visit SantaClaraCA.gov/ArtandWine for more information.

Housing Element Update (2023-2031)

The City of Santa Clara is updating the City’s Housing Element, a set of goals and policies that guide long-term decision-making on the development and maintenance of housing in the City of Santa Clara. State Law requires Santa Clara’s General Plan Housing Element to accommodate the potential development of 11,632 housing units at various income levels over the next 8 years. Public input is a critical part of the Housing Element update process; your thoughts are important and will help the City set priorities for housing. Take a [5-minute survey](#) to share your views on housing in Santa Clara. For more information, visit the [Housing Element Update webpage](#).

District 1

Hello District 1 Residents!

Welcome Summer! Many of us are looking forward to being able to travel again and enjoy the outdoors after enduring COVID-19 and how it has impacted the last two years of our lives. Thankfully, the City of Santa Clara is open for business and scheduled some traditional activities that will get our residents back out and about.

For starters, Summer Reading will be back in person! This year’s theme is, “Read Beyond the Beaten Path.” You can sign up online and attend many family events as well as read some great books and earn prizes. Here is the link for Summer Reading and all the activities: [Summer Reading | Santa Clara Public Library \(sclibrary.org\)](https://SantaClaraPublicLibrary.sclibrary.org)

Concerts in the Park are back too! There will be a concert in Live Oak Park beside the Northside Library on Friday, July, 22, featuring The Hitmen who always draw a great dance crowd. [Concerts in the Park | City of Santa Clara \(santaclaraca.gov\)](#)

Save the Date for the 40th Annual Art & Wine Festival too! September 17 and 18, 2022 in Central Park! This beloved event which features Bay Area artists and food booths by our local non-profits is a great community event. For more information you can visit the City website: [40th Anniversary Santa Clara Art & Wine Festival 2022 | City of Santa Clara \(santaclaraca.gov\)](#)

Other activities for teenagers? If you have teenagers who have special talents that they can share like dancing or teaching/tutoring and would like to share it with others or meet like-minded teenagers, there is a non-profit called, "InATalent. inAtalent is the epitome of what a community can do for each individual. We have volunteering ventures in the realm of performance, arts, technology, and now in education as well. We have been awarded with Organization of the Year by CREST awards in 2018. I had the pleasure of representing the City of Santa Clara at the organization's year-end awards ceremony and am always impressed with these hardworking teenagers who give back to their communities. Have your children considered studying abroad? There is an event on Tuesday, June 7, from 1-2:30 PM at the SES Hall, 1575 Lafayette Street, Santa Clara, where 12 universities from Portugal will have representatives onsite to talk about the different programs offered and what is necessary to study abroad. Portugal has some of the oldest universities in the world. This event is open to all students and their families in the Bay Area. Light refreshments will be served. The San Francisco Consul General of Portugal will be in attendance too.

There is a lot of activity in Santa Clara related to housing. It was a pleasure to attend the Grand Opening of Calabazas Creek Apartments which provides housing for the homeless. I met with some of the residents and was touched by their stories but moreso their resilience and hope for the future. I also attended the groundbreaking for the Kifer Senior Apartments which will be built right next door to the Calabazas Creek Apartments. The City is thankful for the partnerships with the County of Santa Clara, Abode Services, Cisco, Capital One, Housing Trust Silicon Valley and the Santa Clara County Housing Authority for making this invaluable housing possible.

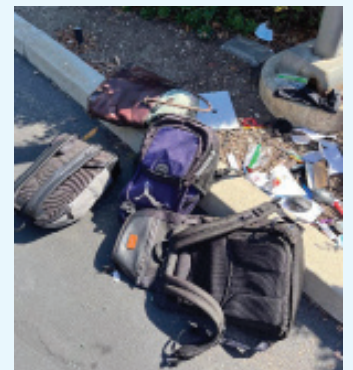

On May 18, I represented the City of Santa Clara at the groundbreaking for the new Digested Sludge Dewatering Project located off of Zanker and Highway 237 near the San Jose-Santa Clara Regional Wastewater Facility. The City of Santa Clara is a 20% stakeholder in this important facility that treats water that goes into the San Francisco Bay. When finished, this project will be used to free up 750 acres of land that would otherwise be used as drying beds for sludge. One of the benefits is that it will reduce odor impacts from the facility on the community.

District 1 is the most culturally diverse district in the City of Santa Clara. It is always an honor to participate in events that promote the diversity and heritage of our community. Such was the case on May 20 when Dharmic Organizations of the United States presented Darshana, a Glimpse Into The Hindu Civilization at City Hall and the Northside Library. This exhibition presents a wonderful view of the Hindu culture and shares activities like yoga and other practices to promote good health, thinking and healing. You can learn more about the exhibit at [hssus.org](#) or [hindudarshana.com](#)

With many of us going back to work and traveling for work, we are bringing laptops, phones and other valuable equipment back and forth from home to office and leaving them in our cars. Lately, there is an increase in car break-ins all over the Bay Area.

Some areas like Mercado Shopping Center, Rivermark Plaza and Mission Park Marketplace (Montague and Mission College Boulevard) are popular targets for thieves. Although there are signs posted warning folks not to leave valuables in cars, people are in a hurry and think they won't be leaving their car for long. All it takes is 90 seconds - the time it takes for you to park your car and get your mobile ordered coffee - for a thief to quickly break into your car, grab your purse or backpack and they are gone. Please be diligent and do not leave valuables of any kind in your car. Laptops, iPads and iPhones when they are live are easily detected through gadgets thieves use to pinpoint them and break into your car.

Finally, Tuesday, June 7, is Election Day! This is a primary election and it is important that everyone VOTE!! Mission College is a District 1 drop-off location. You can also vote in-person at the Northside Library, 695 Moreland Way, until June 6. The hours are 9 AM to 5 PM. On Election Day the Northside Library will be open from 7 AM to 8 PM. VOTE! VOTE! VOTE!

Thank you for the opportunity to serve you in this great City of Santa Clara. I hope to see many of you at some of the great outdoor events this summer! Until then, stay safe!

Your District 1 Councilmember,
Kathy Watanabe

News, events, and happenings in Santa Clara.

Free COVID-19 Testing & Get Vaccinated

In partnership with the County of Santa Clara, the City hosts free COVID-19 testing at Central Park Library, 2635 Homestead Ave. Upcoming testing dates include: **June 8** (Testing on **June 8** will take place at the Community Recreation Center (CRC) at 969 Kiely Blvd.) and **June 22 from 9:30 a.m. to 3 p.m.** Typically, 3-7 days before the testing date, [schedule an appointment](#) online. Visit SCCFreeTest.org for countywide testing locations.

Climate Action Plan Adoption

Following over two years of community engagement, the City has developed a [Draft Climate Action Plan \(CAP\)](#) to update the current CAP adopted in 2013. Adoption of the CAP Update would extend the City's Greenhouse Gas (GHG) emissions reduction goals through 2030, address new State requirements established since the 2013 CAP was adopted, and offer a Qualified CAP that would provide California Environmental Quality Act (CEQA) streamlining benefits. The City Council Adoption Hearing is scheduled for **Tuesday, June 7, 2022**.

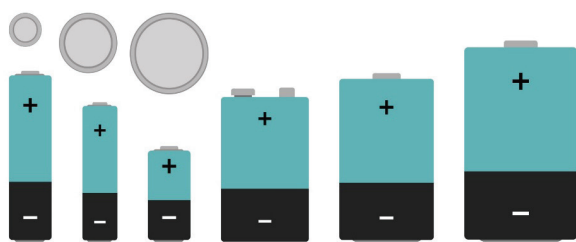

Golden Eagle Exercise

In support of the 2022 Golden Eagle Exercise, the City of Santa Clara Emergency Operations Golden Eagle Exercise Center hosted the Bay Area Urban Area Security Initiative's Simulation Cell on **May 19, 2022**. The Golden Eagle Exercise is an annual regional disaster preparedness exercise. This year, Santa Clara County's focus was on critical wildfire operations as one of the cascading effects of an earthquake. The Simulation Cell helps drive exercise play by providing exercise participants throughout the Bay Area with situational awareness they need to practice responding to incidents that could realistically occur in a real emergency.

Household Battery Collection

Household batteries contain toxic materials and should never be placed in curbside collection carts or bins. If not properly disposed of,

old batteries can pose a threat to the environment. Drop off your used household batteries for recycling at any of the following City facilities during open business hours: City Hall Municipal Service Counter, all Santa Clara libraries, Senior Center and Community Recreation Center. Batteries accepted include alkaline button cell, AA, AAA, C, D, 9V and lithium-ion. For safety purposes please tape the ends of the battery terminals before placing into the battery recycling receptacles. For more information, please contact the Department of Public Works at Environment@SantaClaraCA.gov.

Adult Group Exercise Classes

Join us at the CRC for fun workouts in a positive environment. We offer a variety of drop-in fitness classes to meet your busy schedule. Classes are taught by certified instructors and include: Zumba®, U Jam Fitness™, Boot Camp, and Hatha Yoga. Visit SantaClaraCA.gov/ActivityPass for the June schedule or call 408-615-3140 for more information.

Call If You Can. Text If You Can't

Text to 9-1-1 provides another layer of service that has greatly enhanced public safety. It should be used in situations when you cannot safely and effectively call 9-1-1, such as:

- Caller with a hearing and/or speech impairment in need of emergency assistance
- In a situation where it is not safe to place a phone call (e.g. home intruder, domestic violence, etc.)
- Medical issue where you are unable to speak

In 2021, Public Safety Dispatcher's received 196 texts for police, fire, and medical related emergencies. Despite text messaging being one of the primary ways that people communicate today, dialing 9-1-1 in an emergency is still the preferred way to request police, fire, or medical assistance. Remember, "Call if you can, text if you can't."

Affordable Housing Units Available Now

The Benton is a new complex in Santa Clara that has 1 and 2 bedroom low-income and moderate-income apartments available for lease. For moderate-income apartments, the first six weeks are free. For more information and how to apply, visit the City's [Housekeys webpage](#).

Electrify Your Drive

Silicon Valley Power offers [rebates](#) up to \$1,500 for income-qualified customers to purchase a new or used electric vehicle (EV) or plug-in hybrid electric vehicles (PHEV). Customers installing an EV charging station may be eligible for a rebate up to \$550. If you require an electric panel upgrade when

installing the EV charging station, add a circuit for an electric heat pump water heater to make your home "electrification ready", and you may be eligible for a rebate on the electric panel upgrade as well! Electric panel upgrade incentives range from \$1,000 - \$3,000. For more information on these programs, visit [SiliconValleyPower.com/Rebates](#). There is a variety of incentive and assistance programs available, as well as federal tax credits, making the upfront cost of an EV more affordable than you may think! For more information on maximizing your incentives, visit [Silicon Valley Power's website](#).

Make the Switch from a Gas Water Heater to an Efficient Heat Pump Water Heater

Many homes have outdated natural gas water heaters that burn fossil fuels, damaging air quality and the environment. Consider upgrading to an electric heat pump water heater, which is up to three times more energy efficient. Because it does not burn natural gas, it will improve

the air quality in and around your home. Silicon Valley Power has partnered with BayREN to provide financial incentives to participating contractors, which results in discounts up to \$1,000 off the installation of a heat pump water heater for our customers. Ensure you are working with a contractor enrolled in the program to receive discounted pricing. To learn more about converting your natural gas water heater to an efficient electric heat pump water heater or to find a participating contractor, visit [SiliconValleyPower.com/Residents/Electrification-Programs](#). If you need to upgrade your panel when adding the heat pump water heater, visit [SiliconValleyPower.com/PanelUpgrade](#) for information on rebates available to help cover the cost.

Activity Pass - Purchase Yours Today!

Have you purchased an Activity Pass yet? The Activity Pass provides access to three drop-in programs: Lap Swim at the International Swim Center, Drop-in Play at the Reed & Grant Sports Park and Group Exercise at the CRC. While participation in the DCTF meetings will be limited to appointees, the meetings will be public and members of the community will have an opportunity to provide input at the meetings.

EVENTS, MEETINGS & ACTIVITIES

Composting with Worms Workshop

Composting is nature's way of recycling! Worm composting is a fantastic way to turn fruit and vegetable waste into a nutrient rich soil amendment that has many benefits, including improving the health of your soil. The final product can be added to potting soil for house plants or used in the garden. On **Saturday, June 18, 10 a.m. – noon**, join a Master Composter to learn how to build, maintain, and troubleshoot a worm bin at the Everett N. "Eddie" Souza Park located at 2380 Monroe St. Registration is required and limited to 12 attendees. Register [online](#) or call the "Rot Line" at 408-918-4640. For more information, contact the Department of Public Works at Environment@SantaClaraCA.gov.

Memories & Hugs Workshop - Kick Off Meeting: Monday, June 20, 12:30 p.m. - 2:30 p.m.

In-person Activity # 25651. Can you sew a straight line, hand stitch, or stuff batting? We could use your talents! Sometimes when a loved one passes, we wish we could give them just one more hug. Help give those hugs to families by sewing pillows or bears from a favorite garment of their family member who is gone. In partnership with Kaiser Hospice, we will meet monthly to receive materials, sew items, and deliver our pillows or bears to our drivers. You may bring your portable machine to sew with others or use the day's workshop to check in and pick up materials to work from home. We will meet monthly on the third Monday of each month unless there is a holiday. Guidelines, patterns, and materials will be provided and we are happy to have your help in whatever way that is. Our first meeting will be an orientation. [Register online](#) or by calling Mallory von Kugelgen, Health & Wellness Coordinator, Santa Clara Senior Center. 408-615-3180. Masks are strongly recommended and we will have a box at the door, in case you need one.

Homelessness Taskforce Meeting #3: June 23, 2022, 6 – 8 p.m.

([Link to Register](#)). The City of Santa Clara, having endorsed the Santa Clara County Community Plan to End Homelessness, has convened a Homelessness Taskforce. The Taskforce includes stakeholders with a range of perspectives and experience who will help identify priorities and provide recommendations related to the development of a City Plan to End Homelessness. Attend a virtual meeting or contact Homebase, the City's facilitator for the Taskforce to submit comments, suggestions, or ideas at cityofsantaclara@homebaseccc.org or (415)788-7961.
