I. Call to Order. Welcome & Introductions.

II. Approval of Minutes of March 28, 2012. Minutes were approved.

III. Public Presentation

- A. Mr. Kratz requested additional info concerning lane widths for ECR regarding the BRT project.

IV. Reports for Committee Information

A. Follow up items from previous meeting –

1. Status update on “Bicycles on High Speed Rail” resolution.
2. On May 22, 2012, City Council approved member Schouten as the City’s VTA BPAC representative for two year term. VTA Board approval is expected in July.
3. Pruneridge Road Diet Post Study will be placed back on the list of agenda items for future meetings. A consultant has been selected to perform study.

B. VTA BPAC Update

No meeting to report on.

C. Bike To Work Day

Mr. Johnson thanked members who participated in event. A new location is being explored for next year due to declining numbers at present location despite increased County-wide participation.

D. Permitted Movement from Bicycle Lanes

Mr. Johnson led discussion concerning what would be permissible for bicyclist as a result of left side bicycle lanes on Calabazas Blvd. To address potential concerns, a follow-up study was recommended after this facility is installed.

E. Spur Trail Update

PWD/CE Rajeev updated members about the current status and schedule for planned San Tomas Aquino Creek Spur Trail along the west side of San Tomas Expressway from Cabrillo Avenue to El Camino Real.

V. Reports for Committee Action –

- A. None

VI. Added Agenda Items for Future Meetings

- A. San Tomas Aquino Creek Trail Maintenance- Redfield
B. VERBS Project Update- Kennedy

VII. Announcements

- A. Mr. Johnson noted that the Stevens Creek Colorized Bicycle Lanes were installed in May.
B. Mr. Johnson noted that the portion of Monroe Street bicycle lanes between Benton and Homestead was restriped.

VIII. Adjournment to Next Meeting Date (September 26, 2012)
