## REPORT TO COUNCIL

### SUBJECT

Accept the 2022 General Plan Annual Progress Report

### COUNCIL PILLAR

Promote and Enhance Economic, Housing and Transportation Development

### BACKGROUND

California State Law requires local jurisdictions, including Santa Clara, to maintain a General Plan to guide the orderly, long-term use of lands within the City through policies and General Plan Land Use designations. The General Plan communicates the City's long-term vision for future growth and land use and establishes a policy framework to govern decision-making concerning the physical development of the community. The seven major strategies of the General Plan, along with their implementing goals and policies, define and communicate the City's overarching vision for the community in relation to physical development patterns. The City's seven major General Plan strategies are:

1. Enhance the City's High Quality of Life
2. Preserve and Cultivate Neighborhoods
3. Promote Sustainability
4. Enhance City Identity
5. Support Focus Areas and Community Vitality
6. Maintain the City's Fiscal Health and Quality Services
7. Maximize Health and Safety Benefits

The General Plan further establishes multiple goals and policies to guide decision making to be consistent with the realization of these strategies.

The Housing Element is a required component of the General Plan and, per State law, must demonstrate the City's ability to support residential development capacity consistent with the City's Regional Housing Needs Allocation (RHNA).

The City is required to provide three annual reports to the State to demonstrate the City's progress toward implementation of its General Plan:

- General Plan Annual Progress Report (GP APR)
- General Plan Housing Element Annual Progress Report (Housing Element APR)
- Housing Successor Agency Annual Report regarding the Low and Moderate Income Housing Asset Fund (LMIHAF)

The GP APR and Housing Element APR respond to the obligations of the 5<sup>th</sup> cycle RHNA, which ended on January 31, 2023. On January 31, 2023, the City Council adopted the Housing Element to address the 6<sup>th</sup> cycle RHNA requirements. Next year, by April 1, 2024, the City will begin reporting on the progress made to the 6<sup>th</sup> cycle RHNA requirements.

These reports are due on April 1<sup>st</sup> of each calendar year and the Housing Element APR and LMIHAF must be submitted to California Department of Housing and Community Development (HCD) using the forms and definitions adopted by HCD. These two documents must also be posted on the City's website.

Historically the City has submitted three reports to the State on an annual basis, in conformance with these requirements. Staff is preparing all three documents to submit to the State prior to April 1, 2023.

Beginning in 2020, the State further mandated that all cities, including Charter cities such as Santa Clara, and all 58 counties, submit the GP APR to their legislative body as well as to the Governor's Office of Planning and Research (OPR) (Government Code Section 65400). This report is being submitted to the City Council to fulfill this requirement.

## **DISCUSSION**

Annual Progress Reports (APRs) provide local legislative bodies with information regarding the implementation of the General Plan for their city or county. The Annual Progress Report is strictly a reporting document and does not create or modify any City of Santa Clara goals or policies found within the General Plan. APRs must be presented to the local legislative body for review and acceptance. Once approved, the General Plan APR must be filed with the Governor's OPR and the Housing Successor Agency Annual Report must be posted on the City's Website.

This report includes four attachments documenting the City's implementation of the General Plan over the last calendar year. In summary, as described in these documents, the City's General Plan is consistent with State law, and has been successful in creating market-rate housing, especially in the City's General Plan Focus Areas.

Attachment 1 is a fact sheet that includes relevant milestones for the General Plan, along with a short discussion of additions that need to be made to the General Plan in the coming years. A summary of the Housing Element APR, including housing production numbers for the year and Housing Element implementation actions, is included as Attachment 2. Over the course of the eight years of this

Housing Element, the City produced 8,121 units of housing, including 1,189 units of affordable housing. The City exceeded the City's RHNA target for market-rate housing production by more than 5,000 units and was able to realize 48% of the City's RHNA target for affordable housing production. Throughout the Housing Element cycle, the State consistently found the City to be in conformance with State requirements.

The Housing Successor Annual Report regarding the LMIHAF has been prepared pursuant to California Health and Safety Code Section 34176.1(f). The report sets forth details of the City of Santa Clara Housing Successor activities in Fiscal Year 2021-2022 and is included for reference as Attachment 3.

A list of all General Plan Amendments filed since the adoption of the 2010-2035 General Plan is included as Attachment 4. Four amendments were made to the General Plan in 2022, for the Patrick Henry Drive Specific Plan Area, the Freedom Circle Focus Area, the Climate Action Plan Update, and for 1601 Civic Center Drive, a land use change from Community Commercial to High Density Residential.

### **ENVIRONMENTAL REVIEW**

The action being considered is simply to accept an annual report on the City's General Plan and as such does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5), in that it is a governmental administrative activity that will not result in direct or indirect changes in the environment.

### **FISCAL IMPACT**

This report has no fiscal impact in that it simply reports housing production for the prior calendar year and gives the Council a report on the status of the implementation and upkeep of the General Plan.

### **COORDINATION**

This report has been coordinated with the City Attorney's Office.

### **PUBLIC CONTACT**

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email [clerk@santaclaraca.gov](mailto:clerk@santaclaraca.gov) <<mailto:clerk@santaclaraca.gov>>.

## HOUSING SUCCESSOR ANNUAL REPORT REGARDING THE LOW- AND MODERATE-INCOME HOUSING ASSET FUND FOR FISCAL YEAR 2021-22 PURSUANT TO CALIFORNIA HEALTH AND SAFETY CODE SECTION 34176.1(f) FOR THE CITY OF SANTA CLARA

The Housing Successor Annual Report (Report) regarding the Low- and Moderate-Income Housing Asset Fund (LMIHAF) has been prepared pursuant to California Health and Safety Code Section 34176.1(f) and describes the current status of the LMIHAF as of June 30, 2022. The Report further provides certain details regarding the City of Santa Clara, as Housing Successor (“Housing Successor” or “City”), and its activities during Fiscal Year 2021-22 (Fiscal Year). The purpose of this Report is to provide the governing body of the Housing Successor, the Santa Clara City Council, an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 34176.1 (Dissolution Law).

The following Report is based upon information prepared by staff and information contained within the financial records of the Low- and Moderate-Income Housing Asset Fund 169 for Fiscal Year 2021-22. The Report conforms with and is organized into Sections I through XI, inclusive, pursuant to Section 34176.1(f) of the Dissolution Law:

- I. Amount Deposited into LMIHAF:** This section provides the total amount of funds deposited into the LMIHAF during the Fiscal Year. Any amounts deposited for items listed on the Recognized Obligation Payment Schedule (ROPS) must be distinguished from the other amounts deposited. This section also includes a reporting on the amount the Housing Successor received pursuant to Health and Safety Code Section 34191.4(b)(3)(A) for sponsoring community loan repayments.
- II. Ending Balance of LMIHAF:** This section provides a statement of the balance in the LMIHAF as of the close of the Fiscal Year. Any amounts deposited for items listed on the ROPS must be distinguished from the other amounts deposited.
- III. Description of Expenditures from LMIHAF:** This section provides a description of the expenditures made from the LMIHAF during the Fiscal Year. The expenditures are to be categorized.
- IV. Statutory Value Of Assets Owned By Housing Successor In LMIHAF:** Under the Dissolution Law, and for purposes of this Report, the “statutory value of real property” means the value of properties formerly held by the former redevelopment agency, as listed on the housing asset transfer schedule approved by the Department of Finance, as listed in such schedule under Section 34176(a)(2), the value of the properties transferred to the Housing Successor pursuant to Section 34181(f), and the purchase price of property(ies) purchased by the Housing Successor. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.
- V. Description of Transfers:** This section describes transfers, if any, to another housing successor agency made in previous Fiscal Year(s), including whether the funds are unencumbered and the status of projects, if any, for which the transferred LMIHAF will be used. The sole purpose of the transfers must be for the development of transit priority projects, permanent supportive housing, housing for agricultural employees or special needs housing.

- VI. Project Descriptions:** This section describes any project for which the Housing Successor receives or holds property tax revenue pursuant to the ROPS and the status of that project.
- VII. Status of Compliance with Section 34176.1:** This section provides a status update on compliance with Section 34176.1 (amending the dates to initiate activities consistent with development of affordable housing under Section 33334.16). For interests in real property acquired on or after February 1, 2012, this section provides a status update on the project.
- VIII. Description of Outstanding Obligations under Section 33413:** This section describes the outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012, along with the Housing Successor's progress in meeting those prior obligations of the former redevelopment agency and how the Housing Successor plans to meet any unmet obligations.
- IX. Income Test:** This section provides the information required by Section 34176.1(a)(3)(B), or a description of expenditures by income restriction for five-year period, with the time period beginning January 1, 2014 and whether the statutory thresholds have been met. However, reporting of the Income Test was reported in 2019 and will be reported again in 2024.
- X. Senior Housing Test:** This section provides the percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Housing Successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Housing Successor, its former redevelopment agency and its host jurisdiction within the same time period. For this Report the ten-year period is July 1, 2012- June 30, 2022.
- XI. Excess Surplus Test:** This section provides the amount of excess surplus in the LMIHAF, if any, the length of time that the Housing Successor has had excess surplus, and the Housing Successor's plan for eliminating the excess surplus.
- XII. Inventory of Assisted Homeownership Units:** An inventory of homeownership units assisted by the former redevelopment agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3.

This Report is to be provided to the California Department of Housing and Community Development by April 1, 2023. ## V. DESCRIPTION OF TRANSFERS

The Housing Successor did not make any LMIHAF transfers to other Housing Successor(s) under Section 34176.1(c)(2) during the Fiscal Year.

No previous projects required LMIHAF transfers during the fiscal year.

## VI. PROJECT DESCRIPTIONS

This section describes any project for which the Housing Successor receives or holds property tax revenue pursuant to the ROPS and the status of that project.

The Housing Successor does not receive or hold property tax revenue pursuant to the ROPS.

## VII. STATUS OF COMPLIANCE WITH SECTION 34176.1

Section 34176.1 provides that the deadlines in Section 33334.16 do not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however, this Report presents a status update on the project related to such real property.

With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset.

The following provides a status update on the project(s) for property or properties that have been acquired by the Housing Successor using LMIHAF on or after February 1, 2012:

Address	Date of Transfer approval from DOF	Deadline to initiate activity	Current Status

### 2330 Monroe Street:

On December 7, 2017, the Housing and Community Services Division held a Community Engagement Meeting at City Hall to discuss plans for the future development of the City-owned site at 2330 Monroe Street. On January 28, 2020, Santa Clara's City Council approved all land use entitlements for the project and adopted a resolution approving and authorizing the City Manager to negotiate and execute a Disposition and Development Agreement (DDA) with Freebird Development LLC and further authorizing the City Manager to

#### 3575 De La Cruz Boulevard:

On January 29, 2018, the Housing and Community Services Division held a Community Engagement Meeting at the Northside Library to discuss plans for the future development of the City-owned site at 3575 De La Cruz Boulevard. The RFP was issued in June 2018 and on April 9, 2019, Santa Clara's City Council approved an Exclusive Negotiation Agreement (ENA) with Habitat for Humanity Company for the development of 3575 De La Cruz Boulevard. The ENA provided an initial negotiating period of 18 months, commencing on the date of the Agreement was fully executed, which could be extended for two additional periods of six months each by the City Manager upon presentation of a written request from the Developer together with a schedule of tasks to be accomplished during the additional period. Both six-month extensions were authorized by the City Manager. As allowed under the ENA, the City Manager granted two six-month extensions for the ENA on December 14, 2020 and the second on July 12, 2021. Since that time, three additional extensions were signed extending the ENA until June 30, 2023 to allow Habitat for Humanity additional time to prepare a Disposition and Development Agreement (DDA) for Council consideration.

#### 90 North Winchester Boulevard:

On February 27, 2015, the Housing Successor issued a Request for Proposals for 90 North Winchester Boulevard (referred to as the "BAREC Site") for the development of affordable senior housing. On January 29, 2019, Santa Clara's City Council approved all land use entitlements for the project and adopted a resolution approving and authorizing the City Manager to negotiate and execute a Disposition and Development Agreement (DDA) with Core Affordable Housing LLC for the development of the Agrihood Project located at 90 North Winchester Boulevard/ 1834 Worthington Circle and further authorizing the City Manager to execute all other agreements (including a Ground Lease, Loan Agreements, Deeds of Trust, Promissory Notes, and Affordable Housing Agreement). #### 2904 Corvin Drive:

On February 19, 2019, Santa Clara's City Council approved a loan agreement with Allied 2904 Corvin, LP for a loan of up to \$5,000,000 Housing Successor Funds to support the construction of a 100% affordable residential development at 2904 Corvin Drive. The project, Corvin Apartments, will contain 145 units consisting of 80 units for formerly chronically homeless residents with income levels at or below 30% of Area Median Income (AMI), 64 units for residents with income levels at or below 60% AMI, and 1 unrestricted two-bedroom manager's unit. The project started leasing up in June 2021 and was expected to reach full occupancy by February 2022, however the project did not reach full occupancy until the end of 2022.

## VIII. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO SECTION 33413

**Replacement Housing:** According to the FY2009/10 - FY2015/16 Implementation Plan for the former redevelopment agency, no Section 33413(a) replacement housing obligations were transferred to the Housing Successor. The former redevelopment agency's Implementation Plans are posted on the City's website at [www.santaclaraca.gov](http://www.santaclaraca.gov)

There are no existing replacement housing obligations.

**Inclusionary/Production Housing:** According to the FY2009/10 - FY2015/16 Implementation Plan for

the former redevelopment agency, no Section 33413(b) inclusionary/production housing obligations were transferred to the Housing Successor. The former redevelopment agency's Implementation Plans are posted on the City's website at [www.santaclaraca.gov](http://www.santaclaraca.gov)

There are no existing inclusionary production obligations.

## IX. EXTREMELY-LOW INCOME TEST

Section 34176.1(a)(3)(B) requires that the Housing Successor must require at least 30% of the LMIHAF be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Housing Successor fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of the AMI until the Housing Successor demonstrates compliance with the Extremely-Low Income requirement.

This information will be reported in 2024 and every five years thereafter.

## X. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former redevelopment agency and/or City within the same period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following provides the Housing Successor's Senior Housing Test for the 10-year period of 7/1/2012-6/30/2022. The aggregate number of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years did not exceed 50 percent of the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the same time period. Therefore, the restrictions under Section 34176.1(b) do not apply.

## XI. EXCESS SURPLUS TEST

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the LMIHAF account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the

account during the Housing Successor's preceding four Fiscal Years, whichever is greater. The Housing Successor created the LMIHAF account on February 1, 2012. The LMIHAF Balance on Deposit of \$13,893,463 less the encumbered amount of \$11,500,000 for two affordable housing developments, equals \$2,393,463. This amount is less than the sum of the annual deposits made in the preceding four fiscal years of \$6,923,463. As a result, the LMIHAF does not have an Excess Surplus. The City encumbered the funds in the previous reporting period and have fully disbursed \$11.5 million for two affordable housing projects as noted below.

## **XII. HOMEOWNERSHIP INVENTORY**

This section contains an inventory of homeownership units assisted by the former redevelopment agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3.

There are a total 62 of assisted homeownership units being monitored by the housing successor. No units were lost from the portfolio during the fiscal year and no units have been lost from the portfolio since February 1, 2012. A total of 4 units have been removed from the housing successor's portfolio during the fiscal year because the homeowners have satisfied the terms of the recorded affordability covenants.

No funds were returned as part of a program that protects the former agency's investment of funds from the LMIHAF. The Housing Successor did receive \$325,101 of program income associated with the housing successor's homeownership portfolio.

The Housing Successor did not contract with any outside entity for the management of the housing successor's homeownership portfolio.
