Take the Community Survey: Elected or Appointed?

On July 18, 2023, a seven-member Charter Review Committee was established for the purpose of making a recommendation to the City Council on what, if any, changes should be made to the Charter provisions providing for an elected Chief of Police and/or an elected City Clerk.

The Charter Review Committee has been asked to solicit input from members of the public on their preferences regarding potential changes to the City Charter. The Committee respectfully requests that you **review the background information before taking the survey online.**
