2023 ANNUAL REPORT

# Dear Community,

It has been an honor and a pleasure getting acquainted with you all since becoming your City Manager in May of 2023. Through my participation in community events like National Night Out and the Art & Wine Festival, I've been able to engage with Santa Clara residents and see firsthand how deeply you care about your city.

## Looking Back at 2023

2023 was a year of positive change as we moved past the lingering effects of the pandemic. City Hall and other public-facing facilities expanded in-person service hours to Monday-Friday, 8 a.m. to 5 p.m., with additional expanded hours at our Community Recreation Center and Senior Center. Our City libraries increased their weekly operating hours by 64% to better serve our community, and we instituted a new policy to eliminate overdue fees to increase equity in access to public services.

As Santa Clara continues to grow, it is vital we meet the needs of our diverse community with new approaches to infrastructure, housing and amenities. Last year saw the grand opening of

Agrihood, the largest urban farm and affordable senior housing community in California, where we can expect over 50 community events each year. The City is also anxiously awaiting the completion of the Magical Bridge Playground in Central Park, which broke ground in May. This innovative all-inclusive playground promises to promote belonging, fitness and inspire the magic of play for residents of all ages and abilities.

The City is committed to an improved quality of life while creating a more Sustainable Santa Clara. This year we launched a series of Bikeway Planning Studies to improve the safety and efficiency of our roadways for bicycle and pedestrian traffic. In partnership with Silicon Valley Power (SVP), the City's vehicle maintenance team has led the way in transportation electrification. The City now has 44 electric vehicles (EV's) on fleet, and as part of SVP's Community Electric Vehicle Blueprint, 95 public EV charging stations have been installed so far.

Water savings was another key accomplishment in 2023. Santa Clara residents utilized the Landscape Conversion

Rebate to convert 180,481 sq. ft. of lawns into drought tolerant landscaping, the second highest conversion rate among local cities served by Valley Water.

## A Brighter Financial Picture

Last year we worked to bring more stability to the City's fiscal outlook following the negative impacts of COVID-19. Through a combination of expenditure reductions, use of reserves, and improved revenue, the City was able to reduce its structural budget deficit from \$27 million down to \$9 million, and approve a balanced two-year budget. The voter-approved Business License Tax Update was rolled out in July, and combined with improved Transient Occupancy Tax revenue, and the voter-approved Utility Transfer Measure, essential City services will continue to be protected as the financial picture improves.

The City also embraced the enthusiasm around some of the hottest summer concerts sweeping through Levi's® Stadium. The City was renamed "Swiftie Clara" during Taylor Swift's two-night concert engagement, with the performer receiving the title

of honorary Mayor. Legendary performer Beyoncé was also given the ceremonial title of Mayor for the Day and awarded a key to the City. Efforts to engage with the energy of concertgoers has continued to establish City-owned Levi's® Stadium as the preeminent entertainment venue in the region, driving much-needed revenue to local businesses.

## Commitment to Service

In closing, I would like to thank City staff across all departments for your dedicated professionalism and commitment to service. We are all enormously thankful for the work you do to provide quality services to residents and businesses. I would also like to thank the Santa Clara community for the warmest of welcomes as I begin my tenure as your City Manager. I am humbled by your pride and dedication to community and am excited by

what we will accomplish together in Santa Clara going forward.

Sincerely,

**Jōvan D. Grogan**

# Annual Cleanup Campaign is April 29-May 24, 2024

The Cleanup Campaign is a service for the residents of the City of Santa Clara, not for people from other communities, contractors or businesses. Call 408-615-3080 weekdays or 408-615-5580 after 4:30 p.m. or on weekends to report illegal dumping in progress.

**DO NOT** set out your materials before the specified dates. Early set-outs are subject to a **\$150 fine**.

**DO NOT block driveways, sidewalks or bike lanes.**

Place materials only in front of your address and at least 3 feet from any obstructions such as fire hydrants, fences, poles, cars, trees, bushes or walls. Avoid parking on the street during your collection week.

**Not all developments participate in the Cleanup Campaign. Check map to confirm correct set out times. Unsure about your area or where to place your items? Contact 408-615-3080.**

## ACCEPTED MATERIALS

- Bulky items such as old furniture, carpets, mattresses, toilets, foam packaging, etc.

- **All** concrete, asphalt, dirt, brick, rocks, drywall and/or sawdust **MUST** be set out in a heavy duty bulk bag no larger than 1 cubic yard to prevent potential stormwater runoff pollution. Failure to use a bulk bag for these items is subject to a \$150 fine. Bulk bags may be purchased at a retailer of your choice or through Utility Services starting April 15. Contact Utility Services at 408-615-2300 to purchase and for pickup information. A total of 1 cubic yard of bagged debris will be picked up at no charge.
