Message from Vice Mayor Anthony Becker

Greetings Santa Clarans, District 6 constituents and the entire community,

As we settle into 2024, personally most of us have New Year's resolutions and goals to accomplish. The City of Santa Clara has the same feeling on resolutions with goals and priorities. The City of Santa Clara will be having its annual Council Priority Setting session and you are all invited. My Council colleagues and I want to hear from you on what your priorities are for 2024 because my priorities are your priorities and to do so your input is valuable.

The 2024 Council Priority Setting Sessions are scheduled to take place during two sessions and both of them will be held at our Santa Clara Convention Center.

- Session #1: Monday, March 25, 2024, 1 p.m. – 5 p.m.
- Session #2: Wednesday, April 3, 2024, 2 p.m. – 6 p.m.

For more details on how to participate, visit SantaClaraCA.gov/CouncilPriorities.

We look forward to seeing you!

Stevens Creek Corridor Steering Committee

In 2019, the cities of Santa Clara, San José, Cupertino and Santa Clara County adopted resolutions in support of a vision study of the Stevens Creek Boulevard Corridor to create a common vision for mobility to enhance quality of life for all community members. The Stevens Creek Boulevard Corridor is a major artery for Silicon Valley and the City of Santa Clara that offers shopping, housing, health, tech, education and much more. Currently our cities are experiencing significant growth along this corridor, and we need your help in helping craft a common vision that is inclusive to all. Your input will help in transit solutions, biking, walking, and developing commercial and residential land uses with the overall goal of enhancing this key corridor.

The Stevens Creek Boulevard Vision Study began in January 2023 and since then has held multiple workshops with the community members from all backgrounds from business, education, and residential neighbors.

To learn more, visit Stevenscreekvision.com. On this website you can browse all past meetings and workshops including the corridor tour. As a member of this committee representing our great City of Santa Clara feel free to reach out to me.

The next meeting, Steering Committee Meeting #4: Corridor Alternatives is Friday, May 17, 2024, 9 a.m. – 11 a.m. at San José City Hall. Reach out to me directly at abecker@SantaClaraCA.gov if you have questions or would like to provide input.

As always, it is an honor and privilege to serve as your representative on the Council and your feedback is utmost important to me. Please do not hesitate to contact me for any community related issues as my lines of communication are open not only to District 6 residents, but to all Santa Clarans. It's an honor & privilege to serve as your representative.

Anthony Becker
District 6 Councilmember

Register for the Spring Citywide Garage Sale

The Santa Clara Citywide Garage Sale returns April 13, 2024! Hosting a garage sale is a great opportunity for residents to turn unwanted items into cash, while preventing usable items from ending up in the landfill. Register online for individual, multi-family, or block garage sales starting March 13–April 10 at SantaClaraCA.gov/GarageSale. Citywide Garage Sale registrations will be displayed on an interactive map, and a finalized list of garage sale locations will be made available for download on April 12.

Learn how to participate and get some tips on hosting your own garage sale at SantaClaraCA.gov/GarageSale. Questions? Email Environment@SantaClaraCA.gov or call 408-615-3080.

Earth Day/Arbor Day Celebration

Join us for the City of Santa Clara 2024 Earth Day/Arbor Day Celebration, hosted by Environmental Programs! The program is geared towards all students between the ages of 6 – 10, and includes activities, exhibitor booths, interactive music performances, and a Tree City USA award ceremony. This celebration will take place on **Thursday, April 11, 2024, 10 a.m. – 2 p.m.** at the Central Park Pavilion (909 Kiley Blvd, Santa Clara). Contact Environment@SantaClaraCA.gov with any question you might have. We hope to see you there!

Apply to be a City of Santa Clara Youth Commissioner!

The Youth Commission application for the 2024/25 term is now available. Applicants must be City of Santa Clara residents and between the ages of 12–19. Applicants must complete the application and, if selected, an interview. Applications are available at SantaClaraCA.gov/YouthCommission on the “Application and FAQs” page. Applications are also available at Parks & Recreation facilities and City libraries.

Financial Rate Assistance Program Provides Discount Up to 40%

Silicon Valley Power understands the economic pressures on its customers due to inflation and rising energy costs. To help financially vulnerable customers, the utility offers a Financial Rate Assistance Program (FRAP) to provide a discount on the electric bill for all eligible customers. The program is tiered to provide the most help to customers who earn the least amount of money. Discounts range from 25–40%, depending on income eligibility. To apply for the Financial Rate Assistance Program, visit SiliconValleyPower.com/Assist. For questions, please call our Energy Conservation Hotline at 408-244-SAVE (7283).

\$5,000 Trade School Scholarships for Income-Qualified Customers

Silicon Valley Power offers a scholarship program designed to help qualified Santa Clara residents learn the skills to earn a livable wage while pursuing high demand careers in the energy industry. Scholarships are available up to \$5,000 for eligible customers currently enrolled in the Financial Rate Assistance Program who meet all program requirements. Examples of eligible trade school programs include:

- HVAC technician
- Solar PV system installer
- Generation technician
- Lineworker
- Building controls technician
- And more!

Applications are accepted quarterly with deadlines on March 31, June 30, Sept. 30 and Dec. 31 annually. For more information, visit SiliconValleyPower.com/Scholarship.

Crosswalk Flags Pilot Project

The City of Santa Clara will launch a pilot program in early March 2024 to evaluate the effectiveness of pedestrians using brightly colored flags when moving through marked crosswalks. The flags intend to raise driver awareness of pedestrians using crosswalks and to increase pedestrian safety. These flags are not formal traffic control devices. Under the pilot program, pedestrian crossing flags will be placed at 25 high-priority uncontrolled crosswalks in the City where pedestrians encounter crossing challenges. The pilot program will last approximately 12 months. For more information about this program, visit the [program webpage](#).

Affordable Housing Available at Sofia

Sofia is a multi-family development located in Santa Clara, CA with 288 residential units. There are 53 affordable rental housing units consisting of 1- and 2-bedroom apartments. All eligible households are encouraged to apply. Preference will be given to those residing and/or working in the City of Santa Clara. Interested applicants can enter the drawing starting on March 1, 2024 and the deadline to enter is on March 15, 2024 at 5 p.m. For additional information on how to enter the drawing, visit housekeys7.com/sofia.

“Please Slow Down” Yard Sign Public Awareness Initiative

In early March, the City will begin a public awareness initiative to provide “Please Slow Down” yard signs to residents to place on their properties. This is to encourage lower driving speeds to improve traffic safety and the quality of life in their neighborhoods. Driving slower increases roadway safety for all users including pedestrians, bicyclists, and the motoring public. Yard signs with traffic safety messages will be free for residents to pick up at the City Hall Permit Center and the Public Works Corporation Yard. For more information about this initiative, visit the [project webpage](#).

Congratulations Santa Clara Water & Sewer Utilities!

Water & Sewer Utilities has received the Collection System of the Year (Medium Size Category) by the California Water Environment Association for the Santa Clara Valley Section. This great achievement is a testament to the hard work of the Water & Sewer Utilities team and their commitment to protecting public health and the environment by maintaining an excellent collection system. Award criteria included the Utilities’ program responsibilities, preventative maintenance, corrective maintenance, safety and accident prevention, training/employee development and administration/data management.

The proactive work of Water and Sewer Utilities ensures a reliable supply of clean, potable water and environmentally sound wastewater collection, treatment and disposal. For current projects, visit [Work in Your Neighborhood](#) and see why the team earned the prestigious Collection System of the Year award!
