7	<p>The safety of our cast and crew depends on all crew members being present for all rehearsals and performances. Please do not join our crew if you cannot commit to being at all scheduled rehearsals and performances. It is difficult for our production to be successful without 100% commitment from everyone involved. More information will be distributed at a later date. Please contact Robin Shaddle, Performing Arts Supervisor, at rshaddle@santaclaraca.gov or 408-615-3154 if you have any questions or need additional information.</p>
