SECTION 3: ARGUMENT TEXT

PLEASE ATTACH A COPY OF YOUR PRIMARY/REBUTTAL ARGUMENT TO THIS FORM.

The text of your primary and/or rebuttal argument will be printed exactly as submitted. Type your primary and/or rebuttal argument with the desired formatting. Ensure that your primary and/or rebuttal argument meets the legal word limit. You may request that specific text is printed in bold, italic, or bold italic font type.

The County of Santa Clara Office of the Registrar of Voters uses standard typefaces, font sizes, headers, and bullets in all measure related documents. In addition, measure related documents use the following formatting standards: 1) indent increments will be set at 0.25"; 2) spacing will be standardized to language-appropriate number of spaces following periods, colons, commas, and semicolons; 3) tabs will be used for numbered and/or bulleted indented text; and 4) signers will be formatted as conformed signatures with titles below the name. All measure related documents submitted to the Office of the Registrar of Voters will be formatted to the prescribed standards.

PLEASE NOTE: If the primary and/or rebuttal argument is handwritten or a revision is unclear, the County of Santa Clara Office of the Registrar of Voters staff will interpret the handwritten information to the best of their abilities. That interpretation is final.

The arguments of the supporters of this **\$400,000,000.00 bond** measure **overlook** the following pertinent facts:

(1) The vast majority of this proposed bond debt would be spent on the “rehabilitation”, “renovation”, “improvement”, “replacement”, and “remediation” of **existing** city facilities, **not the construction of new facilities**.

(2) It would be irresponsible for our city to now start indebting itself with bonds to fix its current infrastructure. Until recent times, our city *promptly* paid for its repair expenses out of **current revenues**. Bonds should only be used to construct new facilities, **not** for deferred maintenance and repairs.

(3) This measure would also impose **\$21,674,000.00 in new taxes** on our city **each year**. Moreover, each year, **interest payments** on the bond would gobble up \$12,000,000.00 of these proposed tax increases (assuming 3% interest). Without this bond interest, *all* of the new tax money *could* have gone to: (a) repairs; and (b) the Capital Expenditures Fund. Sadly, however, this measure consists of the worst of two worlds: taxes and debt.

(4) This measure also fails to direct our city government to responsibly resume promptly paying for *all* of its repairs out of current revenues. Will this failure lead to more big bond measures in the future?

(5) Finally, massive governmental borrowing, such as this measure proposes, significantly pushes up interest rates for everyone, tragically making it even harder for young families to buy their first home.

Please vote **NO** on this irresponsible, unsustainable, unjust, tax-borrow-and-spend measure.

This legislation allows primary argument signers to provide a list of individuals, associations, nonprofit organizations, or businesses that are signers or are listed within the text of the argument who support or oppose a ballot measure to be listed under the ballot label. If you wish to submit a list of supporters or opponents, please complete Section 4 by providing a list of names of the individuals, associations, nonprofit organizations, and businesses to be listed as supporters or opponents. Please refer to page 9 Section 6: Appendix A for additional guidelines regarding supporters and opponents. A sample ballot label is provided on page 10, in Section 6, Appendix B.

Every individual, association, nonprofit organization, or business listed as a supporter or opponent must sign the consent form included in Section 5.

Each supporter/opponent shall be separated by a semicolon. An individual, association, nonprofit organization, or business shall not be listed unless they support or oppose the measure and meet the criteria specified in this form.

Any association, nonprofit organization, or business listed as a supporter or opponent (1) must have existed for at least four years, and (2) must not have been originally created as a committee described in Government Code section 82013.

The list of all supporters/opponents shall be listed in the order they will appear on the ballot and may not exceed 125 characters in length.

To calculate the 125-character limit, please count spaces between and before names, as well as the semicolons and spaces. The list must be provided with the appropriate spacing for all names and titles to ensure translations into other languages read properly. Please do not count the period at the end of the list as part of the character limit. Use the worksheet below to ensure your character count meets the required criteria.
